Subject: Public comment: Slippery sidewalks

This email is from an external source. Use caution responding to it, opening attachments or clicking links.

Hello,

Please submit the following public comment for the record at the next city council meeting

Today, for the 5th time this winter, I had to walk my daughter 2 blocks in the street on Washington St, in a stroller. The sidewalks from Perry to Rose St were too slippery to use. Every time I contact 311, but the sidewalks are never cleared.. The DPW does a great job of snow removal at Argenziano School and you can really tell the difference.

Somerville has ambitions to be a walkable city with zero road traffic fatalities, where many residents don't own cars, which I fully support.

How can we achieve this if our sidewalks aren't safe to use all year round?

Thanks, Tadhg Pearson, [REDACTED]
