City of Somerville

Somerville, MA 02143

Dear Mr. Curtatone:

Given the extraordinary winter season the Commonwealth faced this past year and the serious toll it took on our roads, we are pleased to announce a "Winter Rapid Recovery Road" program designed to benefit all 351 cities and town across the Commonwealth. Governor Patrick has approved \$40 million for a statewide program. We are designating \$30 million of that as direct aid, as apportioned via the Chapter 90 formula, for cities and towns and \$10 million for improvements to state roads.

MassDOT is issuing a one-time contract allowing the **City of Somerville** the draw down of **\$169,736** for the reimbursement of specific purpose road and road facility repairs resulting from this harsh winter. Eligible projects include (a) patching of potholes, cracking and other surface defects, including paving projects, (b) repair and or replacement of signage, guardrail, storm grates, or road striping or painting, or (c) projects identified through written agreement between the MassDOT Highway Division District Office and the **City of Somerville**.

The contract requires obligation of funds for specific projects no later than June 30, 2014 with the expectation that the projects and all related expenditures are completed by September 30, 2014. There will be no exceptions to the "use it or lose it" provisions of this agreement. The intent of the program is to help cities and towns make immediate and necessary repairs to your roadway network during this construction season.
