Dear Assistant Captain Major:

Congratulations. Your grant application for an FM Global fire prevention grant stood out among the hundreds we received and we will be funding \$2,869 to purchase a digital camera, truck mounted computer and a digital voice recorder.

Amy Landry, fire service program coordinator in FM Global's Boston office will contact you soon to arrange for a check presentation. In addition you will be receiving an email with a sample press release. Once you and Amy have scheduled a date for a visit, you can customize and distribute the press release to bring further public attention to your worthy efforts and to publicize your award.

In the meantime, if you have any questions, please feel welcome to e-mail me.

Best wishes for continued success in your fire prevention endeavors.
