- Proven track record of leadership in all assignments over my career
- I am an innovative, successful professional with a proven ability to build, motivate and lead teams.

## Certification and Training Summary

- P.O.S.T. Certified
- Gang and gun carry recognition training
- Special training in Basic Warrant Execution
- Executive and Dignitary Protection training
- Police Interview and Interrogation training

## Statement of Public Safety & Investigative Experience

As a Law Enforcement Officer and Public Safety professional, I complete criminal investigations in accordance with Mass general laws and warrant management systems as part of the process of apprehending criminal fugitives. I have conducted executive and dignitary protection and risk assessment for diplomats and elected political officers. I completed risk assessment and operational plans for the transport of high-risk prisoners with the U.S. Marshall Service. I was involved as a team leader in the federal immigrations, customs and enforcement task force (I.C.E).
