Subject: Planning Grant

Good Afternoon:

With apologies for the significant delay, attached please find a contract for the land use planning grant project you proposed. In short, this contract accepts the activities as submitted; the only difference is that the budget has been adjusted to reflect the considerable passage of time between the intended and actual start date. Hopefully, the adjusted budget is acceptable, and the other aspects of the contract are accurate. If so, please return a signed version of the contract (electronic is fine), along with a signed contractor authorized signature form (also attached). Once the contract is signed by the Executive Office, which will be very quick once the contract is returned to us, work can begin. Invoicing, which will be covered in a subsequent email, is very straightforward. If something is amiss, please contact me at kurt.gaertner@mass.gov.

Sincerely,

Kurt Gaertner, Asst. Secretary for Environmental Policy
