Thank you. Also, I spelled “exacerbate” incorrectly in the first email. Can you forward the below email which has the correct spelling. Thank you.  
I hope you have a good weekend. Take care.  
Diane

**Good evening.**

**I am the abutter to 135 Hudson Street. I am against having an EV charging station on Hudson Street, as it will take away a parking space. We don’t need parking spaces taken away. Also, if there is one charging station and several electric vehicles on the street, what happens when several people want to use it at the same time? I just see this as a dispute ready to happen. Parking is bad enough on Hudson Street, we don’t need to exacerbate the parking issue.**

**Thank you.**
