Re: Recommendation for Appointment of Tegin Teich to the Somerville Bicycle Advisory Committee

Date: November 26, 2013

Ms. Teich of 108 Health Street in Somerville has expressed interest in being becoming a member of the Somerville Bicycle Advisory Committee. Ms. Teich has attended SBAC meetings for the past 6 months and has submitted a letter of interest. She is a very qualified candidate and the committee unanimously supports her application.

I recommend that the Mayor and the Board of Aldermen appoint Ms. Teich to the Somerville Bicycle Advisory Committee. If appointed, she will fill a vacant position.

Attached is Ms. Teich's letter of interest and resume.
