WORK HISTORY

Self Employed Carpenter, 01/2013 to Current

Self – 116 Glenwood Road, Somerville, MA 02145

Responsible for rough and finished skilled carpentry work. Build, install and repair structural woodwork, flooring, ceilings and cabinetry stairways, doorframes, partitions, and rafters—made from wood and other materials; operate, maintain and calibrate hand and power tools; recognize and select appropriate lumber types and grades; make rough sketches; estimate cost, time and materials of carpentry projects, perform heavy physical labor, maintain cooperative working relationships with other contractors; interact with the general public and homeowners.

Carpenter, 05/2011 to 12/2013

All American Building & Design – 116 Bonham Road, Dedham, MA

Began as part of the demolition crew which involved tearing down walls, stripping siding, stripping roofs, removing partition walls, and any and all aspects of stripping a property for renovation. I advanced to being a carpenter's helper, which involves assisting the head carpenter in cutting wood, building walls, laying roofs, insulation, finish trim, hanging cabinets, and all other aspects of fine finish work.

Freight Associate, 01/2010 to 05/2011

Home Depot – 564 Broadway, Saugus, MA

As a freight associate I was responsible for making sure that the shelves were fully stocked overnight, that deliveries were properly taken in in a timely fashion and that the store was clean and tidy by opening.

EDUCATION

High School Diploma: 2009

Medford Senior Vocational High School - 489 Winthrop Street, Medford, MA 02155
