Hi, My name is Hala and I am a live long resident of Somerville. Some surveillance to make sure the police are safe is good. But watching all the residence of Somerville 24/7 isn't good. Also the use of Shot-spotter is crazy. By doing this no Somerville person will trust anyone. We don't need to live in a word of big brother. I don't think I myself will feel safer. This if it looks like even done something funky you might send some after me. Even if this isn't a crime. I hope you will ask the people of Somerville how much surveillance the city should or shouldn't do. Without the trust between the residence and the city officials in city will even get worse.

Sincerely,
Hala Jadallah
