FY 2026 FIREFIGHTER SAFETY EQUIPMENT GRANT PROGRAM

I. OVERVIEW

The Executive Office of Public Safety and Security (EOPSS) and the Department of Fire Services (DFS) are pleased to announce the availability of grant funding in State Fiscal Year 2026 for fire departments in every city, town, fire district, and eligible state authority fire departments of the Commonwealth for the purchase of firefighter safety equipment. The anticipated amount of funding available is \$4.99 million.

Funds for this program will be awarded on a competitive basis. Details on the scoring rubric and award decision process can be found in Section III.

Webinars outlining the application, contracting, and reimbursement processes will be offered throughout the application period. Attendance at these webinars is not mandatory. Please see Section XI for more information.

A detailed list of eligible program expenses can be found in Section XV. Funds cannot be utilized for maintenance, lease, personnel costs, or consumable supplies. Vehicles are not allowable expenses.

This grant is a reimbursement-based program. Grant recipients will purchase, receive, and pay for all equipment, then submit documentation to DFS in the form of a reimbursement request in order to receive funding.

II. ELIGIBILITY

Fire departments of every city, town, fire district, and authority of the Commonwealth are eligible to apply for funds. Each fire department may apply for an amount of funding up to the maximum amounts shown below based on the size of the population that they serve:

Population Served	Maximum Award Amount
0-2,499	\$10,500.00
2,500-4,999	\$12,500.00
5,000-9,999	\$15,500.00
10,000-29,999	\$19,000.00
30,000-49,999	\$25,000.00
50,000-99,999	\$35,000.00
100,000+	\$50,000.00

Maximum award amounts are based upon 2020 Census data. DFS reserves the right to adjust maximum award amounts, including regional award totals, as necessary based upon available funding and overall demand of the program.

Departments may combine eligible award amounts and submit regional applications either on their own or through regional planning agencies. On all regional applications, the Primary Applicant will serve as the grant administrator, responsible for signing the contract, submitting reimbursement requests, and ensuring compliance with all grant terms and conditions.

Each eligible fire department may submit or be named on one (1) single-department or regional application. Submitting or being named on more than one application may result in disqualification of all applications.

III. APPLICATION SCORING AND AWARD DECISION PROCESS

The goal of this program is to enhance firefighter safety by providing fire departments with the necessary personal protective and safety equipment to comply with National Fire Protection Association (NFPA) and Occupational Safety and Health Administration (OSHA) standards. To achieve this goal, each application line item will be scored according to the chart on the following page, and the overall application score will be determined according to the description below.

Line Item Scoring Criteria

Each item an applicant requests funding to purchase will receive a line item score according to the scoring chart on the following pages. Applicants shall answer the questions posed on the Budget Worksheet section of the application form (which align with the categories on the scoring chart) for each type of equipment they are requesting to purchase using the dropdown menus provided, and separately provide contextual information that specifically supports the selections made in the Budget Worksheet in the Application Narrative section of their application. DFS will review all application narratives to verify that the information provided clearly and accurately supports the selections in the Budget Worksheet. The Application Narrative itself is not scored, but DFS will correct the selections on the Budget Worksheet for scoring purposes if they do not match with the information contained in the Application Narrative. If insufficient information is provided in the Application Narrative for DFS to determine the appropriate scoring criteria for any individual line item, it will be scored under the "No justification or inadequate justification provided" category.

If the same type of equipment is being purchased for multiple reasons (i.e. two thermal imagers, one of which is to replace a damaged unit deployed on an engine and another which will be used to equip a newly purchased command vehicle), it must be entered on separate line items. Only line items for which each field in the Budget Worksheet has been completed will be scored and considered for award.

The scoring chart, which details the scoring criteria by equipment type, begins on the following page. The full Allowable Equipment List with designated Equipment Priority Levels can be found in Section XV.

Composite Scoring Formula

Each application will receive a final score which weighs the individual score of each line item proportionally relative to the total value of the application. For example:

- A department that requests \$5,000 of equipment scoring "9" and \$5,000 of equipment scoring "5" will receive a final score of "7.0."
- A department that requests \$9,000 of equipment scoring "9" and \$1,000 of equipment scoring "5" will receive a final score of "8.6."
- A department that requests \$6,000 of equipment scoring "8" and \$4,000 of equipment scoring "6" will receive a final score of "7.2."

Scoring for Webinar Attendance

Attendance at one or more of the application period webinars by either the Head of the Fire Department or the Grant Manager (as listed on the Application Cover Sheet) shall entitle the applicant to one (1) additional point on their overall application score.

Credit for attendance shall entail presence on the webinar from no later than five (5) minutes after the scheduled start time of the webinar through the scheduled end time of the webinar, and submission of an answer to the quiz question at the end. Intermittent connection disruptions totaling less than ten (10) minutes during the webinar will not affect attendance credit for the purposes of scoring. Completion of any prior year's webinar shall not be considered for scoring purposes in FY26.

Award Decisions

DFS will make award decisions that prioritize the available funding for applications scoring 9.0 or higher. Applications scoring less than 9.0 may be awarded at amounts that are significantly less than the amount requested.

All awards are contingent upon the availability of funding. All funding is subject to appropriation.

Commonwealth of Massachusetts
CONTRACTOR AUTHORIZED SIGNATORY LISTING

This form is jointly issued and published by the Office of the Comptroller (CTR) and the Operational Services Division (OSD) as the default form for all Commonwealth Departments when another form is not prescribed by regulation or policy.

**Signature for Corporation (C or S), Partnership, Trust/Estate, Limited Liability Company
 (must match Form W-9 tax classification)**

Contractor Legal Name <i>CITY OF SOMERVILLE</i>	Contractor Vendor/Customer Code (if available, not the Taxpayer Identification Number or Social Security Number) <i>VE600019238</i>
--	---

INSTRUCTIONS: Any Contractor (other than a sole-proprietor or an individual contractor) must provide a listing of individuals who are authorized as legal representatives of the Contractor who can sign contracts and other legally binding documents related to the contract on the Contractor's behalf. In addition to this listing, any state department may require additional proof of authority to sign contracts on behalf of the Contractor, or proof of authenticity of signature (a notarized signature that the Department can use to verify that the signature and date that appear on the Contract or other legal document was actually made by the Contractor's authorized signatory, and not by a representative, designee or other individual.)

For privacy purposes **DO NOT ATTACH** any documentation containing personal information, such as bank account numbers, social security numbers, driver's licenses, home addresses, social security cards or any other personally identifiable information that you do not want released as part of a public record. The Commonwealth reserves the right to publish the names and titles of authorized signatories of contractors.

There are three types of electronic signatures that will be accepted on this form: 1) Traditional "wet signature" (ink on paper); 2) Electronic signature that is either: a. hand drawn using a mouse or finger if working from a touch screen device; or b. An upload picture of the signatory's hand drawn signature; 3) Electronic signature affixed using a digital tool such as Adobe Sign or DocuSign. Typed text of a name not generated by a digital tool, computer generated cursive, or an electronic symbol are not acceptable forms of electronic signature.

Authorized Signatory Name	Signature (Signature as it will appear on contract or other documents)	Title	Phone Number	Email Address
<i>JACOB D. WILSON</i>	<i>[Handwritten Signature]</i>	<i>MAYOR</i>	<i>617-625-6600 x2100</i>	<i>Mayor@Somervillema.gov</i>

Acceptance of any payment under a Contract or Grant shall operate as a waiver of any defense by the Contractor challenging the existence of a valid Contract due to an alleged lack of actual authority to execute the document by the signatory.

I certify that I am a responsible authorized officer of the Contractor and as an authorized officer of the Contractor I certify that the names of the individuals identified on this listing are current as of the date of execution and that these individuals are authorized to sign contracts and other legally binding documents related to contracts with the Commonwealth of Massachusetts on behalf of the Contractor. I understand and agree that the Contractor has a duty to ensure that this listing is immediately updated and communicated to any state department with which the Contractor does business whenever the authorized signatories above retire, are otherwise terminated from the Contractor's employ, have their responsibilities changed resulting in their no longer being authorized to sign contracts with the Commonwealth or whenever new signatories are designated.

Please note you cannot self-certify your own signature as a single signer listed above.

Signature <i>[Handwritten Signature]</i>	Date <i>3/18/2026</i>
Print Name <i>CYNTHIA AMARA</i>	Phone Number <i>617-625-6600 x4410</i>
Title <i>CITY ATTORNEY</i>	Email Address <i>CAmara@Somervillema.gov</i>

A copy of this listing must be attached to the "record copy" of a contract filed with the department.

FY26 FIREFIGHTER SAFETY EQUIPMENT GRANT PROGRAM

COVER SHEET

Department Information

Legal Name of Applicant Agency: City of Somerville
 Mailing Address: 266 Broadway PO Box: _____
 Municipality: Somerville Zip Code: 02145

Chief of Department

First Name: Charles Title: Chief
 Middle Initial: J Phone Number: 617-623-1700
 Last Name: Breen Email Address: cbreen@somervillema.gov
 Suffix: Jr.

Grant Manager*

First Name: Ali Title: Administrative Assistant
 Middle Initial: _____ Phone Number: 617-623-1700 x8105
 Last Name: Belabdi Email Address: abelabdi@somervillema.gov
 Suffix: _____

*Leave this section blank if Fire Chief will serve as Grant Manager.

Application Type

Select Application Type Below:
Single Department

If you are submitting a Regional Application, complete the "Supporting Regional Applicants" tab of this document. If you are not submitting a regional application, you may leave that tab blank.

Signature

As the Chief of the Department/Chief Executive, I am authorizing the department to solicit funds from the FY26 Firefighter Safety Equipment Grant Program from the Department of Fire Services (DFS). I have reviewed and approve of the contents of this application, and certify that all information provided is accurate. I have also reviewed and agree to abide by all terms and conditions in the Notice of Funding Opportunity. I further acknowledge that if my department incurs expenses for the grant prior to a contract for these grant funds being signed by DFS and my department, DFS will not be able to reimburse my department for those costs.

EXECUTIVE OFFICE OF PUBLIC SAFETY & SECURITY
DEPARTMENT OF FIRE SERVICES

FY26 FIREFIGHTER SAFETY EQUIPMENT GRANT PROGRAM

Application Narrative

Project Summary

Please explain all equipment being requested, quantities, and how it will be deployed/managed. Include details on installation, maintenance plans, how cost estimates were obtained, accessories to be included, and any other relevant information.

Equipment being requested is 7 Globe Metro bunker gear coats, 7 Globe Metro bunker pants, 7 Defender Structural firefighting helmets, 7 hoods, 7 sets of leather structural firefighting boots and 7 pairs of Phoenix structural firefighting gloves. We are in the process of hiring 7 new firefighters to fill current vacancies. This personal protective equipment will be purchased from our current PPE supplier to maintain gear standardization within the department.

Project Need

Please explain the reason grant funding is needed to purchase this equipment and connect it to the justification(s) selected on the Budget Worksheet (i.e. There are 10 firefighters on the department without a compliant second set of turnout gear, my department has one thermal imaging camera which was purchased in 2012 and no longer functions properly, etc.).

The FD budget is very tight and revenues are down. This grant will provide funding to be able to issue our new firefighters with a compliant set of gear.

FY26 Firefighter Safety Equipment Grant Award Announcement

FY26 Firefighter Safety Equipment Grant Award List for Publishing_Final.pdf;

Good Morning:

I am pleased to inform you that your fire department has been selected for an FY26 Firefighter Safety Equipment Grant award. You may view your award amount on the attached list. Later today, you will receive a separate email with your award documents for signature. Please sign and return these to DFS promptly.

This year's award process was extremely competitive again, and unfortunately, we were not able to fully fund every grant application with the \$5 million that was available. It is my sincere hope that we will be able to address the unfulfilled needs through additional offerings of this program in the coming years.

As a reminder, DFS will not be able to authorize extensions in FY26. All equipment **must be delivered by June 30, 2026 to be eligible for reimbursement.** If the equipment you had originally intended to purchase with these funds can no longer be delivered by June 30th, please reach out to Tim Moore (OPS.DFS-TM-Grants@mass.gov or 978-567-3721) as soon as possible to discuss the process of adjusting your contract to include other types of necessary equipment that can be delivered before June 30th.

If you have any other questions about your award or the associated contract documents, please contact Tim at OPS.DFS-TM-Grants@mass.gov.

Sincerely,

Jon M. Davine
State Fire Marshal
