CITY CLERK'S OFFICE  
SOMERVILLE, MA

To the Board of Alderman:

The Gay Straight Alliance of 2009-2010 would like to thank the city for supporting Sonja B. Darai and Raffi Freedman-Gurspan. These two amazing individuals have been extremely helpful in many ways. They have supplied us with materials, helped us form connections with our elected officials, pointed out various local programs and activities that we were able to attend, gave their time as friends and chaperones, and helped us brainstorm fundraising ideas. Most of all, these two people understand the particular needs of the GLBT community, and it means the world to us that they are represented officially within the city. They have truly made a difference in all of our lives and in our club as a whole. We hope that you all will consider the importance of positions like these each year as you consider our community's priorities.

Sincerely,

The S.H.S. Gay Straight Alliance
