Re: RMG Enterprise LLC Invoices - Total \$9,688.26

Dear Mr. Deshpande:

As you know, we have been attempting to collect certain invoices referenced above for some time. After further investigation, we see that our invoices and supporting documentation did not make it to you in the ordinary course. Therefore, due to our error, you were not able to process them timely. Nevertheless, the work was done, the invoices were prepared, and all supporting documentation was timely created. We have now presented all of this information to you and we would again request that the City of Somerville submit a requisition to the Board of Alderman and pay for this work.

Please let us know if you need anything further.

Thank you for your attention to this matter, and we look forward to hearing from you.

Very truly yours,

President, RMG Enterprise LLC

Re: RMG Enterprise LLC Invoices – Total \$9,688.26

Dear Sir:

Please be advised that I represent RMG Enterprise LLC of 113 Hillside Avenue, Londonderry, NH 03053 (hereafter, "RMG") in its efforts to collect outstanding invoices for work performed by RMG for the benefit of the City of Somerville. The invoices are attached.

The facts are simple: RMG performed the services reflected in the invoices; RMG submitted timely invoices for the payment of its services; the City of Somerville has failed to pay the invoices. Since 2011, there has been a running balance on the invoices. The running balance is reflected in the invoices. At no time did the City of Somerville reject the services or complain that they were not performed. The current principal amount outstanding is \$9,688.26. This amount is due immediately.

I am not aware of any legal basis to refuse payment.

Therefore, RMG hereby demands immediate payment of the invoices in the principal amount of \$9,688.26. Failure to honor this demand may result in legal action being commenced and RMG seeking all amounts allowed by law.

Thank you for your attention to this matter, and I look forward to hearing from you.

Very truly yours,

David C. Aisenberg
