City of Somerville
Board of Health & Mayor's Office
Highland Avenue
Somerville, MA 02143

RE: 217 School Street, Somerville, MA 02145

To Whom It May Concern:

We the undersigned property owners and neighbors of both Maple Avenue and School Street are requesting to have both the Board of Health and Building Inspectors inspect the property located at 217 School Street due to the fact of rats going in and out and of the dwelling as well as digging holes into the surrounding property lines surrounding this building. We have seen the rodents all around Maple Avenue and School Street for several weeks.

We are requesting the City of Somerville to bait the sewer grates as well as our properties that surround 217 School Street and at appropriate times inspect for rodents (i.e. rats).

Sincerely,

Abutters
