Re: Board Order #189262  
Bate for Rodent Baiting in Ward 3

Alderman Taylor,

Please be advised that the Office of Strategic Planning and Community Development is in receipt of your Board Order requesting that the Executive Director bait the following areas for rodent control. The area in Ward 3 include Hamlet Street, Thorpe Street, Summit Avenue, Pleasant Avenue, Grandview Avenue, Walnut Street (from Aldersey Street to Highland Avenue) and Highland Avenue (from Walnut Street to Medford Street).

In response, the Inspectional Service Division went out to the above streets to inspect for evidence of rodent activity in conjunction with the baiting and contractor and baited the relevant locations for rodents.

Should you require any additional information, please do not hesitate to contact the Inspectional Services Division at 617-625-6600 x 5600.

Respectfully,

MONICA R. LAMBOY  
Executive Director
