Hi City Council,

I was glad to see [ordinance 2023-25](#) which removed the "four unrelated" restriction, but today I noticed that [Section 7-153](#) still contains the text "All schools shall be responsible for publicizing to their students the limitations of the city's zoning ordinance which limits occupancy to not more than four unrelated individuals." It looks to me like this may have been missed when drafting the amendment?
