

Please select the top three areas in which you have working knowledge, strong interest, and/or experience:

Equity

Social Resiliency

Somerville Community-Based Organizations or Advocacy Groups

Statement of Interest:

I'm hoping that I can continue in my role on the commission to provide continuity as the Climate Action Commission evolves into its next phase. I like to be out in the community and connecting different groups of residents and businesses to the work. To be clear, though: I don't plan to serve on the commission forever and I'm grateful that the commission is bringing new voices on board.
