The letter says "Poets" but that was an autocorrection from "Powers."

Subject: Benton Road

Dear Somerville Poets that Be,

I have lived for many years at [REDACTED], on the corner of Westwood and Benton. Benton is a two-way street, but never worked as a two-way street because there is not enough room for two cars to pass. With the newly renovated intersection at Summer Street, it is literally impossible for two cars to pass each other safely if one is turning onto, or off of Benton Road. I have witnessed countless fights, with cars at standoffs, one or both refusing to reverse to an empty parking spot to allow the other to pass. It is an unpleasant source of friction and ill will, and a nuisance for people who live near Benton Road. I have seen numerous mirrors broken off parked cars, and more than one close call at the Benton and Summer Streets intersection.

Benton Road should be a one-way street, running opposite central Street.

I have called before about this issue, but never heard back. I love Somerville, and I wish only the best for all of us who live here. The current situation is not up to Somerville standards.

If someone could respond to my email, I would greatly appreciate it.

Many thanks,

A loving and loyal citizen of this shining city,

Dan Brenner
