Hahahaha the flip flops are amazing. You all suck. Not much mention of the union workers in your stupid, pointless ranting. Y'all can fuck off. Except Willie and JT who actually stood by their words. AMAZING!!! Can I get the 4 hours of my life back?

Cut the mayor's salary, cut the non-union department heads' salaries. Cut em all. And force the mayor's hand and let's get our hard working city workers a good contract.

Councilors,

The Somerville Municipal Employees Association has [called on the Council](#) to make cuts to the Mayor's proposed FY25 budget tonight in an amount equivalent to freezing top management's compensation at FY24 levels. Please do!

We need you to [stand up](#) and demonstrate your solidarity with these union workers who, thanks to the Mayor's inexcusable delay, have been without a contract for two years and have gone without an across-the-board raise since 2021.

Thanks in advance for your support.

Sincerely,

Nate Clauser
