That the Administration and the Director of Water and Sewer update this Council, in writing, on the plan to support residents who cannot afford the recent water bill increases.

Liaison Carrillo said that the city has found a consultant and has been meeting regularly with them. The Administration plans to present to the City Council in March on the issue. Councilor Strezo commented that she thinks the eligibility threshold for financial assistance should be \$100,000, not \$40,000.
