

DANIEL J. MEADE

OBJECTIVE

A seasoned Federal Law Enforcement Criminal Investigator and Firearms Instructor. Skilled in team management, leadership, criminal investigations, training, operational planning, and budgeting. Seeking an opportunity to leverage my investigative and security leadership skills in a Law Enforcement environment.

SUMMARY OF QUALIFICATIONS

- Twenty-five years as an ATF Special Agent conducting criminal investigations in violation of state and federal firearms laws throughout the United States.
- Expert knowledge of criminal and background investigative practices/procedures, as well as surveillance techniques, and search and seizure.
- Superior communication and effective problem solving skills with a professional demeanor, tact, diplomacy and objectivity, even in the most stressful situations.
- Cultivated a strong reputation for integrity, initiative and competence with numerous contacts in the law enforcement field and communities throughout New England.
- Top Secret Security Clearance.
- ATF National Academy Firearms Instructor

PROFESSIONAL EXPERIENCE

US Department of Justice/Bureau of Alcohol, Tobacco, Firearms & Explosives (ATF), Boston, MA
Senior Special Agent Firearms Instructor Coordinator – Boston Field Division (2012-present)

- Plan, direct and administer quarterly firearms and tactical training for ATF special agents, task force officers, and other federal and local law enforcement throughout New England.
- Supervise and provide sound leadership and training to ten firearms instructors on proper procedures and techniques.
- Liaison to ATF HQ on firearms policies, testing, and review/editing of national directives.
- Manage an annual operational budget for all training.
- Procure firearms properties through personally developed contacts for training purposes.

Senior Special Agent – Boston Field Division (1990-2012)

- Extensive specialized training and experience in criminal (illegal firearms, narcotics, explosives and arsons), as well as skills in background investigations, site investigations and fraud.
