To the Somerville City Council:

We are pleased to report that we have reached a compromise agreement with CV Properties, the developer of the Boynton Gateway project at 481 Columbia Street and 64 Webster Avenue, that preserves the commercial viability of their project while addressing our concerns as abutters regarding their building setbacks and massing. We hereby withdraw support for the Zoning Amendments we submitted on May 3, 2021, and express our support for the alternative Zoning Amendment to modify the Boynton Gateway subarea submitted by the City on August 26, 2021.

Yours truly,
