Re: Board Order # 191815  
New Seating at Albion Park

Alderman O'Donovan:

Please be advised that the Office of Strategic Planning and Community Development is in receipt of your Board Order # 191815, dated August 30, 2011, which requests that the Director of the Office of Strategic Planning and Community Development provide additional seating options at Albion Park.

The Director of Parks and Open Space, Arn Franzen, is working on this issue and will contact you to determine where additional seating could be installed. The Landscape Architect, Cheri Ruane of Weston Sampson Engineers will also be available to consult on the location of any additional seating.

I thank you for your assistance with this matter. Should you require any additional information about Albion Park, please do not hesitate to contact Arn Franzen at 617-625-6600 x 2545 or [afranzen@somervillema.gov](mailto:afranzen@somervillema.gov).

Respectfully,

MICHAEL F. GLAVIN  
Executive Director
