Re: Board Order # 189418
Miller, Sacramento Streets

Alderman Heuston,

Please be advised that the Office of Strategic Planning and Community Development is in receipt of your Board Order # 189418 dated May 13th, requesting that the Executive Director bait the sewers in the Miller and Sacramento Street area for a severe rodent problem.

In response, the Inspectional Service Division walked the entire site with two Health Inspectors for evidence of rodent activity and the entire area was baited

This location will be periodically checked to ensure it remains in compliance.

Should you require any additional information, please do not hesitate to contact the Inspectional Services Division at 617-625-6600 x 5600.

Respectfully,

MONICA R. LAMBOY
Executive Director
