Subject: 2 year term of the Mayor needs to change to 4 years soon!

Attn City Council members: it's past time to increase the Major's term from 2 to 4 years. Two years is insufficient to accomplish much and likely deters competent candidates to apply for positions with city government. The list of vacant positions is still too long years after Curtatone left office. And with the hostility and lawlessness of the Trump administration and with Somerville already in his administration's sights, our community needs competence and stability and focus of our city government. Please do the necessary to effect a change, like a ballot referendum or whatever is appropriate. Thanks in advance fir your prompt attention.
