## Employment

### **Somerville Police Department, Somerville, MA (1995-present)**

**Jurisdictional Point of Contact (JPOC)** - *Metro Boston Homeland Security Region-Urban Area Security Initiative, Department of Homeland Security June 2015- Present*

Appointed by Mayor as the City of Somerville designee for Homeland Security working to prepare, prevent, respond to and recover from terrorist threats in one of the largest federally designated areas in the country. Overseeing the management and distribution of a budget that exceeds 14 million dollars a year to defend the region. Working collaboratively with public safety chiefs and departments heads, both in Somerville and the region. Planned, acquired and hosted dozens of trainings for the region. Revised and re-wrote the Charter for the Region, installing best and legal practices. Obtained a 27-foot vessel for the Somerville Police and received \$100,000 dollars in federal grants to equip the boat. Obtained over \$2,000,000 in federal grants for training, travel and equipment for Somerville over the last 2 years for the police, fire, DPW, and City Hall. Secured a fiber project with IT to provide a modern, reliable cost effective, revenue generating network to enhance public safety through a public-private partnership. Responsible for the funding of the SRT build out; its equipment and vehicle in excess of \$700,000.

### **Sergeant** October 2014-Present

Office of the Chief, Homeland Security & Emergency Management  
Working directly for the Deputy of Administration, overseeing liaisons with the Boston Regional Intelligence Center (BRIC), The Joint Terrorism Task Force (JTTF), local, state and federal partners relative to the identification and investigations of home grown extremism. Manager of the City's Homeland Security Evacuation Cameras, Manager of the Somerville Police Intern program with students from Massachusetts Maritime Academy, the University of Massachusetts & Lasell College. Manger of a City wide building security initiative.  
Background Investigator, past supervisor of the Somerville Auxiliary Police. Implemented significant upgrades to that unit to assist in training and regulation while reducing the city's liability. Worked directly with the MPTC to bring a high caliber federal executive development training series to the agency for no charge.

Secured over \$2,000,000 in federal funding for the police, fire and DPW as well as City Hall to reduce our vulnerability, secure our properties, protect our employees and visitors, train our officers and receive equipment. Assisted in developing the first Marine patrol.
