This layout is approved on Munroe Street from Greenville Street to Prospect Hill Avenue. Greenville Ave must be open for right turns onto Munroe Street. The barrier at the top of Greenville Street is not approved.

Applicant needs to also obtain a Park Permit: <https://somervillema.myrec.com/info/facilities/default.aspx>

Charles Breen, Approved with Conditions

The event document submitted shows Greenville St being blocked by a barrier. I will only approve Munroe being closed between Prospect Hill and Greenville but NOT Greenville. Barriers used shall be easily moveable and there shall be NO obstructions placed in the street that would hinder the passage of emergency vehicles.
