Bonney Family
28 Vinal Avenue
Somerville, MA 02143

Honorable Mayor Joseph A. Curtatone,

The Bonney Family strongly believes in your vision of a green Somerville and steps you undertake to make Somerville carbon neutral by 2050. We would like to donate following equipment to the City with hope that it might get us closer to achieving this goal.

Carbon reduction MotoVac machine for both gas and diesel engines

Nitrogen producing compressor capable of producing 99% nitrogen

High efficiency air compressor

Hunter alignment rack and system

Antifreeze recycling machine

Transmission fluid recycling machine

Several Snap-On scanning computers

Other assorted automotive equipment and hardware

We hope that our donation of this green automotive equipment will help make the cities fleet more environmentally friendly and will help the City in achieving its carbon neutral goals.

Sincerely on behalf of Bonney Family,

Ron Bonney
