RE: Crown Castle - Eligible Facilities Requests - Notice of Incomplete/Missing Information

Dear Ms. Phillips:

On behalf of Crown Castle and pursuant to our recent email exchange, I am writing to follow up to address the Notice of Incomplete/Missing Information dated October 11, 2019 with respect to the eligible facilities requests to modify sixteen (16) base stations in Somerville which were filed on September 16, 2019.

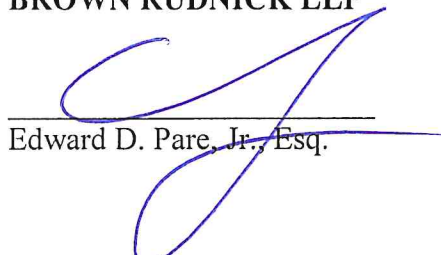

1. Enclosed are stamped plans for Crown Castle sites numbered 70 and 71.
2. Crown Castle agrees and stipulates that the antennas and equipment shrouds will be painted to match the existing equipment on all location. We understand that all of these sixteen base stations are brown and the replacement equipment will likewise be brown.
3. As previously noted, Crown Castle respectfully withdraws the eligible facilities request for "Site 07", located on Belmont Street.

We hope this addresses Incomplete/Missing Information and we would greatly appreciate obtaining all necessary approvals as soon as possible.

Please let me know if you have any further questions.

Sincerely,

BROWN RUDNICK LLP
