

CITY OF SOMERVILLE
ORDINANCE NO. 2014-__
In Board of Aldermen:

Be it ordained by the Board of Aldermen, in session assembled, that Section Chapter 15 of the Code of Ordinances of the City of Somerville, is hereby amended by adding new sections, as follows:

Section _____. Holding Other City Office or Position

No former mayor, former aldermen or former school committee member shall hold 1) an appointed city office, 2) appointed city employment, or 3) a contract with the city, compensated from the city treasury, until no less than twelve (12) months have passed following the date on which said service as mayor, alderman or school committee member has terminated. This provision shall not prevent a city officer or other city employee who has been elected mayor, alderman or school committee member, and vacated a position in order to so serve, from returning to the same office or other position of city employment held at the time the position was vacated, but no such person shall be guaranteed said position, nor be eligible for any other municipal position until no less than twelve (12) months have passed following the termination of service as an elected official.
