**RE: Grant of Location**  
**NSTAR Electric d/b/a Eversource**  
**27 Horace Street**  
**W.O. #2273506**

Dear Council Members:

Preliminary approval is recommended for the petition and plan of NSTAR Electric Company d/b/a Eversource to install a utility pole in the sidewalk in front of 27 Horace Street. Horace Street is a public way in Somerville, MA.

This recommendation is made with reference to NSTAR Electric's Order for Joint or Identical Locations for Poles dated February 8, 2019 and plan of February 12, 2019 upon stipulation that the Grant of Location is subject to: a reservation of rescission by the City Council; indemnification of the City for all liability arising from said Grant; all permit procedures, conditions and approvals of municipal utilities; protection of existing infrastructure; and complete surface repair, restoration and maintenance. A public hearing will be required.

This pole is necessary to avoid a wiring crossing on Ward Street.

This work cannot be performed during the winter moratorium effective November 16, 2018. The moratorium is to be lifted in April 2019, weather permitting.

Respectfully requested,

Department of Public Works
