Re: Board Order # 189273
9 Ward Street

Alderman Heuston,

Please be advised that the Office of Strategic Planning and Community Development is in receipt of your Board Order # 189273 requesting that the Executive Director of Strategic Planning and Community Development examine 9 Ward Street and the property on Medford Street and Somerville Ave, from John's Auto to the used car lot for rodent problems.

In response, the Superintendent of the Inspectional Services Division, has had three health inspectors at both sites, on three different occasions. The owners were instructed, to bait their properties and keep invoice records. The areas have been baited.

Should you require any additional information, please do not hesitate to contact the Inspectional Services Division at 617-625-6600 x 5600.

Respectfully,

MONICA R. LAMBOY
Executive Director
