NOTICE OF PUBLIC HEARING

Pursuant to M.G.L c. 40Q, the Massachusetts statute entitled "District Improvement Financing" (referred to as "DIF"), and DIF Regulations at 402 CMR 3.04, the City of Somerville Mayor's Office of Strategic Planning and Community Development will conduct a Public Hearing on **Wednesday, September 15, 2010 at 6:30 p.m. at the Argenziano School** at Lincoln Park, 290 Washington Street, Somerville, MA, on the proposed creation within the City of Somerville of a DIF development district and a DIF development program.

DIF is a financing tool that will enable the City to use new tax growth generated within the DIF development district to acquire, construct, reconstruct, improve, preserve, alter, extend, operate, maintain and promote development within the development district, in order improve the quality of life, physical facilities and structures, and quality of pedestrian and vehicular traffic control and transportation, as well as increase and/or improve both affordable and market rate housing within the DIF development district. Without limiting the generality of the foregoing, the City of Somerville proposes to use DIF financing for general public improvements, infrastructure improvements, streetscape upgrades, historic façade and storefront improvements, environmental remediation, land acquisition, open space projects, and development of commercial, industrial and housing projects with the DIF development district.

The proposed boundary for the DIF development district will extend from Porter Square to Sullivan Square, generally running along the length of Somerville Avenue and up Washington Street, including the areas of Wilson Square, Bow Street, Union Square, Boynton Yards, Twin City Plaza, Brickbottom and the Inner Belt. A map of the proposed district is available for review at the Office of Strategic Planning and Community Development in City Hall, 93 Highland Avenue, Somerville, MA, Monday through Wednesday between 8:30 a.m. and 4:30 p.m., Thursday between 8:30 a.m. and 7:30 p.m. and Friday between 8:30 a.m. and 12:30 p.m. and on the City's website at www.somervillema.gov.

A report on the Public Hearing will be placed on file with the Board of Alderman and will be included in the application to be submitted to Massachusetts Economic Assistance and Coordination Council.

Written comments will be accepted until 12:00 noon on Wednesday September 29, 2010 City Hall, 93 Highland Avenue, Somerville, MA 02143, Attention: Brianna O'Brien, Office of Strategic Planning & Community Development. Comments may also be e-mailed to Brianna O'Brien at BOBrien@somervillema.gov.

NOTICE OF PUBLIC HEARING
The Boston Redevelopment Authority ("BRA"), pursuant to Article 80 of the Boston Zoning Code, hereby gives notice that it will hold a public hearing on Tuesday, September 21, 2010 at 6:00 p.m. at Boston City Hall, Room 900, Boston Massachusetts, to consider the First Amendment to Development Plan for Planned Development Area ("PDA") No. 75 Charlesview Apartments, Allston - Brighton (the "Proposed First PDA Amendment") pursuant to Section 80C of the Boston Zoning Code. The Proposed First PDA Amendment is being submitted by Charlesview Inc. and Harvard University (the "Proposed Amendments") to amend the original, approved Planned Development Area Development Plan for PDA No. 75 for the Charlesview Redevelopment Project that is located at 355 and 400 Western Avenue and 1256 and 1266 Soldiers Field Road in Brighton on two (2) parcels totaling approximately 8.7 acres of land (the "Original Charlesview Project Site"). This Proposed First PDA Amendment will incorporate an additional 0.8 acres into PDA No. 75 to provide for the relocation of McDonald's Corporation ("McDonald's") of an existing McDonald's drive-in restaurant located at 360 Western Avenue which directly abuts PDA No. 75 to a location slightly to the east of its existing footprint, thereby accommodating the construction of the Telford Street Extension by Charlesview, Inc. that is a part of the approved Charlesview Redevelopment Project. Based on further study and engineering in order to allow the proposed Charlesview Redevelopment Project to move forward the 0.8 acre site owned by Harvard University and leased to McDonald's now must be incorporated into PDA No. 75. The existing outdated McDonald's restaurant will be demolished and in its place a reconstructed McDonald's restaurant will be built by McDonald's just to the east of the existing footprint, accompanied by new and improved landscaping and street-scape improvements and parking lot re-striping and by the re-configuration by Harvard University of existing parking in the Brighton Mills Shopping Center to accommodate the new drive-in restaurant building. Moving the restaurant slightly to the east allows the Telford Street extension to be constructed. The inclusion of this 0.8 acre site into PDA No. 75, the reconstructed McDonald's restaurant and the related landscaping, streetscape and parking re-striping by McDonald's, and Harvard's signalization of the new Telford Street intersection, the relocation of the existing curb cut and re-striping of shopping center parking are the only modifications being requested, in this Proposed First PDA Amendment. The comment period on the Proposed First PDA Amendment will end on September 13, 2010. All documents may be viewed at the Office of the Secretary of the BRA, Room 910, Boston City Hall, between 9 a.m. and 5 p.m., Monday through Friday, except legal holidays.
