Dear Brian,

It was a pleasure to meet you and discuss the first ***Memorial on the Mystic Fireworks*** scheduled on May 29, 2017 in Somerville.

Wynn Boston Harbor is pleased to support the celebration with a donation of \$10,000. We appreciate the dedication and support your organization provides to veterans in the area and are excited to see your passion reflected on stage.

Your energy is contagious and we look forward to working together to create a vibrant Memorial Day tradition in the lower mystic region.

Best regards,

John Tocco
