As you may know, we are running our business by the book. We gave our best until this day and we will be keeping with this same posture, respecting everyone involved in our community, especially the neighbors and the city laws.

All requirements and suggestions made toward us were complied. Hours of operations, numbers of cars in the lot, sidewalk and parking signs, noises, etc.

We try our best to have all these people surrounding our business satisfied.

Although, we can see that some changes could make a huge difference in our daily goals and could help us to improve our results in many ways without affecting any other part.

Our only request at this moment is to increase and extend the hours of operations from closing 7:00pm on weekdays to 8:00pm. And Saturdays from 02:00pm to 06:00pm.

Thanks for your attention, consideration, and time. We look forward to hearing from you. If you have any further questions, please do not hesitate to contact us.
