OBJECTIVE

Motivated and physically capable professional seeking a firefighter position. Proven ability to work in demanding conditions, follow safety protocols, and respond quickly and effectively to emergencies. Committed to public safety, teamwork, and community service.

EXPERIENCE

United States Postal Service – Medford, MA

Mail Carrier

September 2023 – Present

Sort and deliver mail efficiently under tight deadlines.
Provide customer service in a professional and courteous manner.
Operate postal vehicles and follow all safety procedures during routes.

Facility Management Corporation – Pembroke, MA

Ice Maintenance Technician

November 2022 – September 2023

Operated ice resurfacing machines to maintain high-quality ice conditions.
Ensured compliance with safety protocols and reported hazards or malfunctions to management.
Provided customer service and support to patrons, answering questions and enforcing facility rules.
Conducted minor repairs and routine maintenance on facility systems and mechanical equipment.

Laborer's International Union on North America - Local 22 – Malden, MA

Construction Laborer

July 2020 – April 2022

Performed physically demanding tasks including demolition, site cleanup, and material handling.
Assisted skilled trades (carpenters, roofers) with labor-intensive tasks and job-site support.
Maintained safety on high-risk job sites, demonstrating attention to hazardous conditions and use of PPE.

Veteran's Memorial Rink – Somerville, MA

Ice Maintenance Technician

May 2013 – March 2020

Operated heavy machinery with attention to safety and mechanical troubleshooting.
Conducted critical facility maintenance and managed projects such as ice removal and installation.
Trained new employees to ensure smooth and safe daily operations.
Responded quickly and effectively to unexpected equipment failures and facility emergencies.
