Re: Board Order # 192121
Landscape Improvements and Signage at Perry Park

Alderman Heuston:

Please be advised that the Office of Strategic Planning and Community Development is in receipt of your Board Order # 192121, dated October 27, 2011, which requests that the Director of Parks and Open Space meet with the Ward II Alderman regarding landscape improvements and additional signage at Perry Park.

Arn Franzen, the Director of Parks and Open Space will contact you to set up a time to discuss the scope of work for the proposed improvements, including the replacement of dead trees at the front of the park, the expansion of the lawn area, and the need to provide regulatory signage.

I thank you for your assistance with this matter. Should you require any additional information about Perry Park, please do not hesitate to contact Arn Franzen at 617-625-6600 x 2545 or afranzen@somervillema.gov.

Respectfully,

MICHAEL F. GLAVIN
Executive Director
