Mr. John Long  
Clerk  
City of Somerville  
Somerville, MA 02145

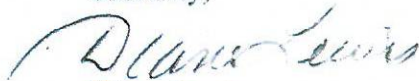

Dear John:

As we discussed I would like to donate one of my mother's painting to the City of Somerville where she resided for 64 years of her life. (Mom passed at 70)

My mom, Barbara D'Ambrosio resided at 33 Madison Street (also where I grew up) for most of those 64 years and later in life became an avid painter. She would be pleased to have one of her paintings presented to the City.

The value on the painting is undetermined.

Sincerely,

  
Diane Lewis
