

MATTEO MUSTONE

EMPLOYMENT HISTORY

Dependable Fencing

Somerville, MA

Fence Installer

11/2024 – Present

- Installed a variety of fence and gate types—including chain link, stockade, and vinyl—according to site layout and project specifications.
- Completed a large-scale project installing over 800 feet of chain link fencing at a commercial casino location.
- Used hand tools and gas-powered T Post Driver to set fence posts accurately and safely in tough soil.
- Inspected and repaired existing fences to correct damage or poor installation, ensuring long-term durability.
- Managed materials and tools through organized inventory checks to guarantee readiness before each site.

Hannah Environmental & Energy

Londonderry, NH

Foreman

07/2023 – 11/2024

- Supervised and coordinated a team of 3-6 employees in the installation of residential and commercial windows, ensuring adherence to safety standards and project timelines.
- Trained and mentored new team members on installation techniques, safety protocols, and equipment usage.
- Collaborated with project managers to address design changes and resolve on-site challenges.
- Managed and ordered inventory, ensuring the availability of supplies for ongoing projects and delay reduction.

Window Glazier

07/2022 – 11/2024

- Installed a variety of residential and commercial windows, ensuring adherence to manufacturer specifications.
- Repaired and replaced faulty windows, addressing client concerns and improving overall customer satisfaction.
- Utilized hand and power tools safely and efficiently, contributing to a reduction in workplace accidents.
- Maintained detailed records of installations, enhancing project tracking and communication with clients.

New England K9

Middleton, MA

K9 Handler

02/2021 – 07/2022

- Developed and implemented comprehensive training programs for canines, focusing on behavior management, socialization, and specialized task performance.
- Demonstrated expertise in building strong partnerships with canines through positive reinforcement techniques.
- Worked closely with canine owners to identify areas of improvement and guide them on at-home training plans.
- Collaborated with Customs and Border Patrol canines to enhance border security and interdiction efforts.
- Worked alongside State Police, Amtrak, and local police canines to support law enforcement operations.

United States Marine Corps

Jacksonville, NC

0311 Infantry Rifleman

10/2019 – 02/2021

- Led a team of 3-4 personnel, driving team performance and achieving mission objectives with efficiency.
- Operated as an automatic rifleman, effectively providing suppressive fire and supporting squad objectives.
- Served as a designated marksman, enhancing the squad's precision and long-range capabilities.
- Participated in leadership courses, further developing leadership abilities and decision-making skills.
