CITY CLERK'S OFFICE

Dear Mr. Long:

Please be advised that, pursuant to Chapter 32, Sections 103(c) and 103(i), the Somerville Retirement Board (SRB) may grant a cost-of-living-adjustment (COLA) to its eligible retirees, survivors and beneficiaries.

As a result, the SRB will be discussing whether it may, or may not, grant a COLA adjustment at their regularly scheduled meeting in May 2013. Once our Chairman sets the exact date in May 2013, you will receive another letter confirming said date.

If you require any additional information, please do not hesitate to contact me.

Very Truly Yours,

Antonio M. Ferrelli
Systems Accountant
