- 4. Public Hearing: 199450 - Mass Inspection** The owner of Mass Inspection explained that the lift is necessary for his inspection business, since some vehicles need to be lifted. He showed a picture of the business from the 1920's or 30's. The former owner spoke and said that he always used a lift without any issues or noises, and added that a lift is required to be in this business. He pointed out that in his 32 years of business, he never had any complaints from the community. Resident Joe Centrella opposed the petition, stating that a lift is not needed.
- 5. Public Hearing: 199451 - American Auto** The business owner, his counsel and the landlord all appeared before the committee. Resident Paul Williams stated he has no problems and the business was very quiet. The landlord stated he does not have any issues and believes that the business owner is a good businessman. Stephen Robert appeared as attorney for Mr. Rosenfield, the landlord for the property in question. Some residents voiced concern regarding a retaining wall and the amount of foot traffic cutting through the area. Resident Linda Pingiaro said that she believes the proprietor did

not have a license or a proper permit to operate his business, adding that the business has been cited for high grass and not picking up trash. Resident Emily Vides spoke about the trash and the lack safety for the community, especially with small children, pointing out that there are a lot of people loitering and looking at the cars.

Ald. Lafuente said these are violations as related to the number of cars on the property and added that the property is not in good condition, has no greenery, is not maintained and did not have snow cleared. He asked that the committee deny this business owner's request for a license.

- 6. Public Hearing: 199543 - Papa John's** Operations manager Robert Namias stated that the business wants to extend its hours of operation as noted on the petition.
