Hereafter, the parties may also be collectively referred to as the "Parties".

GENERAL RECITALS

Pursuant to Chapter 194 of the Acts and Resolves of 2011, and Commonwealth of Massachusetts General Laws Chapter 23K, the Massachusetts Gaming Act (the "Act"), Wynn has applied to the Massachusetts Gaming Commission (the "Commission") for a Category 1 gaming license to develop a luxury hotel and destination resort on the site (the "Project Site") depicted in Exhibit A in Everett, Massachusetts (the "Project");

And whereas, Somerville may be impacted by the development of the Project, and the Act and regulations relating thereto, including 205 CMR 125.00 *et seq.*, permit Wynn to enter surrounding community agreements to address surrounding community impact as well as demonstrate advancement of the Act;

And whereas, Wynn desires to mitigate any adverse impacts from the development and operation of the Project through the means described herein in accordance with the Act, and Somerville desires to mitigate any anticipated adverse impacts from the development and operation of the Project;

Accordingly, in consideration of the terms and conditions set forth herein and to effectuate the purposes set forth above the Parties enter this Agreement and hereby agree to be bound by the terms and conditions set forth herein.

TERMS AND CONDITIONS

1. Stipulations of Known Impacts

1.1. The Parties intend that this Section 1 shall be deemed the "stipulations of known impacts" that are required to be included in this Agreement pursuant to Section 15(9) of Chapter 23K.

1.2. The Parties acknowledge and agree that the proximity of the Project to the Assembly Row and Assembly Square developments may result in additional pedestrian and vehicular traffic in Somerville. The projects identified in the provisions in this Agreement regarding infrastructure improvements are intended to mitigate such impacts.

1.3. The Project may have an impact on municipal services and require additional expenditures by Somerville in order to provide such services. Wynn's payments to Somerville under this Agreement are intended to provide Somerville with adequate resources to mitigate any such impacts.

2. Business Impact

2.1. The Project may provide certain opportunities for the local business community and, in particular, Assembly Row and Assembly Square. In furtherance thereof, contingent upon the receipt of a non-appealable License, Wynn has agreed to pay to Somerville an annual payment of One Hundred Fifty Thousand Dollars (\$150,000.00), which amount shall be due on or before the ninetieth (90th) day following the opening of the Project to the general public and on each annual anniversary thereof. The annual payment shall continue for as long as Wynn, or any parent, subsidiary or related entity, owns, controls or operates a commercial gaming facility at the Project Site. The purpose of this annual payment is to enable Somerville, in coordination with Wynn, to develop initiatives to prepare local businesses to take advantage of the opportunities provided by the Project.

2.2. In recognition of the above, and contingent upon the receipt of a non-appealable License, the Parties have agreed as follows:

2.2.A. On an annual basis, subject to its obligations to the City of Everett, Wynn shall make a good faith effort to utilize local contractors and suppliers for the construction and future operations of the Project and shall afford such opportunities to local vendors when such contractors and suppliers are properly qualified and price competitive. Such efforts shall include actively soliciting bids from Somerville vendors through local advertisements, coordination with the Somerville Chamber of Commerce and such other reasonable measures as Somerville may from time to time request. In furtherance thereof, following the opening of the Project to the public, on an annual basis, Wynn agrees to use good faith efforts to purchase at least Ten Million Dollars (\$10,000,000.00) of goods and services from vendors with a principal place of business in Somerville. Wynn will conduct a business-to-business workshop in Somerville to familiarize community businesses with the full range of vendor opportunities related to Project and assist local businesses to become "Wynn certified" in order to participate in this local purchasing program. Wynn certification represents a Wynn specific vendor qualification program that requires vendors to be pre-qualified, which may include but not be limited to background checks and other screening methods utilized to qualify vendors. Wynn shall, on at least an annual basis, consult with the Somerville Chamber of Commerce and such other business groups or associations as Somerville may reasonably request to identify opportunities in furtherance of the objectives set forth in this Section. Wynn shall, on an annual basis upon request by Somerville, meet with Somerville and provide an accounting of its expenditures within Somerville under this Section 2.2.A. Notwithstanding anything herein to the contrary, Wynn's obligations under this Section 2.2.A. shall be subject to the availability of such goods and services at a level of quality that is consistent with the Project specifications and on commercially reasonable terms.

2.2.B. Wynn agrees that it will include as part of its rewards, frequent guest, loyalty and/or similar programs offered by Wynn to use vouchers and gift certificates to Somerville businesses. Wynn commits to purchase and issue at least Twenty Five Thousand Dollars (\$25,000.00) in such vouchers and gift certificates annually from local businesses for use in its employee and customer loyalty programs. The first annual purchase of the above vouchers and gift certificates by Wynn shall occur ninety (90) days after the opening of the Project to the general public and on each annual anniversary thereof.

2.3. In recognition of the unique cultural, historical and entertainment attractions near the Project, Wynn has developed a proprietary concierge program for the purpose of cross-marketing these attractions. Prior to the opening of the Project, Wynn will work with Somerville's Chamber of Commerce to include Somerville businesses in the Concierge Program so that they may benefit from the Project.

3. Jobs Program

3.1. The Parties acknowledge that Somerville desires to help its community members and residents who are interested in attaining employment at the Project. The Parties agree that Somerville's demographic is an appropriate, suitable, desirable and employable work force for the Project, and therefore it is mutually beneficial to provide a structured program to educate Somerville's residents about available employment opportunities.

3.2. In recognition of the above, the Parties agree as follows:

3.2.A. Wynn will work in a good faith, legal and non-discriminatory manner with the Project's construction manager to give preferential treatment to qualified Somerville residents for contracting, subcontracting and servicing opportunities in the development and construction of the Project. Following the engagement of a construction manager, Wynn shall, in coordination with Somerville, advertise and hold at least one event for Somerville residents at venues to be approved by Somerville, at which it will publicize its construction needs and explain to attendees the process by which they may seek to be hired in connection with the construction of the Project.

3.2.B. Prior to beginning the process of hiring employees (other than internally) for the Project, Wynn shall, in coordination with Somerville, advertise and hold at least one event for Somerville residents at venues to be approved by Somerville, at which it will publicize its hiring needs and explain to attendees the process by which they may seek to be hired in connection with the Project. In addition, Wynn will work with non-profit entities to develop a job readiness training program that will be available to residents of Somerville. In seeking to fill vacancies at the Project, Wynn will give preference to properly qualified residents of Somerville, to the extent that such a practice and its implementation is consistent with Federal, State or Municipal law or regulation.

3.2.C. Notwithstanding anything herein to the contrary, in recognition of Wynn's host community agreement with the City of Everett and Wynn's surrounding community agreement with the City of Malden, the Parties acknowledge and agree that the preference provided in this Section 3 shall be secondary to the preferences provided by Wynn in such agreements. In addition, the Parties acknowledge and agree that the preferences provided in this Section 3 shall be on a pooled basis with any other community that enters into a surrounding community agreement with Wynn.

3.2.D. Wynn agrees to work with Somerville on an annual basis to identify prospective, qualified Somerville employees to effectuate the terms and conditions herein.

4. Responsible Gaming

4.1. The Parties shall coordinate in good faith to promote responsible gaming and to develop resources available to residents of Somerville to address problem gambling. In furtherance thereof, Wynn agrees that it will use commercially reasonable efforts to not send any marketing materials to residents of Somerville who have opted to participate in Wynn's self-exclusion or self-limitation programs that enable individuals to opt out of receiving marketing materials. In addition, Wynn shall provide Somerville and its residents with access to any compulsive gambling services associated with the Project and shall make available to Somerville its resources and employees as may be reasonably necessary to publicize the services and conduct any educational programs. Further, to address any unanticipated adverse impacts, Wynn agrees to reasonably support for Somerville's requests to the Commission or other state agencies for grants from the Community Mitigation Fund established under the Act.

5. Transportation Impacts

5.1. Based on the trip distribution pattern for the Project and a review of both the local and regional transportation system, Wynn studied the following intersections in Somerville and contingent upon the acceptance by Wynn of a non-appealable License, Wynn agrees to complete all necessary improvements as determined in accordance with the MEPA process:

1. I-93 Southbound Off-ramp/I-93 Northbound On-ramp/Mystic Avenue (Route 38), Somerville;
2. I-93 Northbound Off-ramp/McGrath Highway (Route 28), Somerville;
3. Mystic Avenue (Route 38)/McGrath Highway (Route 28), Somerville;
4. Mystic Avenue (Route 38)/I-93 Southbound On-ramp Diverge, Somerville;
5. Broadway/McGrath Highway (Route 28), Somerville; and
6. Mystic Avenue (Route 38)/I-93 Northbound On-ramp Diverge, Somerville.

5.2. The Parties acknowledge and agree that a comprehensive traffic solution for Sullivan Square, located adjacent to Somerville, which is already severely impacted as a result of other developments, is highly advisable and beneficial to Somerville and other neighboring communities. In recognition thereof and contingent upon the acceptance by Wynn of a non-appealable License, the Parties agree that Wynn will work with Somerville and other interested neighboring communities to implement improvements to Sullivan Square estimated at approximately Six Million Dollars (\$6,000,000). Wynn shall implement all such improvements in accordance with the Massachusetts Environmental Policy Act ("MEPA"). In addition, Wynn will cooperate with efforts by Somerville and other interested neighboring communities to seek funding from the Transportation Infrastructure and Development Fund (estimated to be capable of yielding in excess of \$200 million) for a permanent solution for Sullivan Square.

5.3. The Parties acknowledge and agree that a comprehensive traffic solution for Wellington Circle, which is already severely impacted as a result of other developments, including, without limitation, Stations Landing and Assembly Row, is highly advisable and beneficial to Somerville and other neighboring communities. In recognition thereof and contingent upon the acceptance by Wynn of a non-appealable License, the Parties agree that Wynn will work with Somerville and other interested neighboring communities to commission a permanent improvements study of the Wellington Circle, and Wynn will fund such study. Following the results of the permanent improvements study, Wynn will fund up to twenty-five percent (25%) of the concept design (up to One Million Five Hundred Thousand Dollars (\$1,500,000.00)). Following the completion of the study and design, Wynn will cooperate with efforts by Somerville and other interested neighboring communities to seek funding from the Transportation Infrastructure and Development Fund (estimated to be capable of yielding in excess of \$200 million) for a permanent solution for Wellington Circle. Pending completion of the study and design, Wynn will fund and undertake interim improvements to Wellington Circle in accordance with MEPA.

5.4. The Parties acknowledge and agree that the proximity of the Project to the Assembly Row and Assembly Square developments may result in additional pedestrian and vehicular traffic in Somerville. As a result, the Parties recognize and agree that there may be a need for increased police, fire, traffic and public works personnel to maintain roadway safety due to increased use. In recognition of the above, and contingent upon the receipt of a non-appealable License, Wynn has agreed to pay to Somerville an annual payment of Two Hundred Fifty Thousand Dollars (\$250,000.00), which amount shall be due on or before the ninetieth (90th) day following the opening of the Project to the general public and on each annual anniversary thereof. The annual payment shall continue for as long as Wynn, or any parent, subsidiary or related entity, owns, controls or operates a commercial gaming facility at the Project Site. The purpose of this payment is to enable Somerville to fund staffing and other public safety initiatives related to increased pedestrian and vehicular traffic in Somerville and additional costs, if any, incurred in mutual aid responses to the Project. In addition, to facilitate pedestrian and bicycle access, Wynn has committed to increase access and capacity trails and park land along the Mystic River and Broadway. Wynn will coordinate the signage on

the Project to create continuity for pedestrian and bicycle use of such pathways and will participate in regional efforts to enhance and develop such path ways.

5.5. The Parties acknowledge that Wynn intends to implement a water transportation program to service the Project. In furtherance thereof, contingent upon the receipt of a non-appealable License, Wynn has agreed to pay to Somerville an annual payment of One Hundred Fifty Thousand Dollars (\$150,000.00), which amount shall be due on or before the ninetieth (90th) day following the opening of the Project to the general public and on each annual anniversary thereof. The annual payment shall continue for as long as Wynn, or any parent, subsidiary or related entity, owns, controls or operates a commercial gaming facility at the Project Site. The purpose of this annual payment is to enable Somerville to make certain improvements to facilitate water transportation and to fund staffing and other public safety initiatives related to increased use of water transportation. In addition, Wynn will participate in regional discussions regarding a walk/bike connection across the Mystic River to be built on or in the direct vicinity of the dam structure and will consider, in good faith, contributing, with other neighboring communities and businesses, to the design and construction of a connection.

5.6. Except with Somerville's express permission, Wynn will not use any location in Somerville as a satellite pick-up/drop-off site to and from the Project for its employees generally; provided, however, Wynn, in coordination with Somerville, may provide transportation for employees who are residents of Somerville. In addition, Wynn will not have stops for so-called "line-runs," or regularly scheduled bus or shuttle routes, in Somerville, provided that, subject to meeting legal requirements, Wynn will be able to provide transportation to patrons which whom it has established a relationship and will be able to provide transportation home to any patron residing in Somerville.

5.7. Except with Somerville's express permission, neither Wynn nor any of its affiliates, successors or assigns shall construct a satellite parking or other facility associated with the Project within Somerville.

5.8. In an effort to limit the number of casino visitors leaving the facility who should not be operating a motor vehicle, as part of its training program, Wynn agrees to incorporate a training program (e.g., TIPS (Training Intervention Procedures and Services Program)) for alcohol servers and other employees.

6. Somerville Community Fund

6.1. The Parties recognize the importance of supporting the Somerville community and share a mutual desire to utilize this Agreement to provide ongoing support to the many important non-profit organizations throughout Somerville.

6.2. In recognition of the above, and contingent upon the receipt of a non-appealable License, Wynn has agreed to pay to Somerville an annual payment of One Hundred Thousand Dollars (\$100,000.00), which amount shall be due on or before the ninetieth (90th) day following the opening of the Project to the general public and on each annual anniversary thereof. The annual payment shall continue for as long as Wynn, or any parent, subsidiary or related entity, owns, controls or operates a commercial gaming facility at the Project Site. The Mayor of Somerville agrees to establish a Committee tasked with reviewing requests for assistance from qualified organizations and making determinations on the awarding of any portion of this payment. The purpose of this payment is to support the community's broad range of cultural events, street fairs, art shows, festivals and related activities that promote the community's heritage, quality of life, recreational and cultural activities.

7. Other Obligations

7.1. So as to mitigate impacts on the City of Somerville, Somerville, in coordination with Wynn, shall use reasonable efforts to petition the Massachusetts Gaming Commission for monies made available under the Act, including, but not limited to, those monies in the Community Mitigation Fund and the Transportation Infrastructure Fund.

7.2. Wynn shall, on a periodic basis, upon the reasonable request of Somerville, attend meetings organized by Somerville, at which it will address questions regarding the Project.

8. Reimbursement of Consulting and Legal Fees

8.1. In accordance with the terms of 205 CMR 114.03(2)(a), Wynn agrees to reimburse Somerville for actual, documented out-of-pocket expenses incurred by Somerville for legal, financial and other professional services deemed necessary by Somerville for the cost of determining the impact of the proposed gaming establishment and for the negotiation and execution of this Agreement. Somerville and Wynn agree that the amount to be paid by Wynn to Somerville hereunder is \$150,000. Said payment shall be made by Wynn to Somerville, without further submittal by Somerville of any additional letter or documentation, no later than July 11, 2014 and shall be in full satisfaction of Wynn's obligations under 205 CMR 114.03(2) and Section 8.1 of this Agreement.

9.3. Non-Transferrable - Non-Assignable. Neither Wynn nor Somerville may transfer or assign its rights or obligations under this Agreement without the prior written consent of the other Party. In the event of a sale, transfer, assignment and/or conveyance of a non-appealable License by Wynn to an unrelated entity, the Parties agree that this surrounding community agreement shall be treated consistently with all other surrounding community agreements as prescribed and required by the Commission in granting such transfer or assignment.

9.4. Captions and Headings. 9.14. Studies. Section 71 of the Act requires the Commission to establish an annual research agenda to assist in understanding the social and economic effects of casino gambling in Massachusetts and to minimize the harmful impacts. Section 71 identifies three essential elements of this research agenda: (1) understanding the social and economic effects of expanded gambling, (2) implementing a baseline study of problem gambling and the existing prevention and treatment programs that address its harmful consequences, and (3) obtaining scientific information relative to the neuroscience, psychology, sociology, epidemiology and etiology of gambling. In furtherance thereof, the Commission has commissioned a \$3.6 million baseline study to be conducted by the University of Massachusetts Amherst School of Public Health and Health Science on the social and economic impacts of casino gambling in Massachusetts.
