Re: Board Order # 193317
Spring/Summer Tree Planting

Alderman O'Donovan:

Please be advised that the Office of Strategic Planning and Community Development is in receipt of your Board Order #193317, dated June 14, 2012, which requests that the Executive Director of the Office of Strategic Planning and Community Development provide this Board with information on the tree planting schedule and locations.

Per your request, I have attached to this response two maps detailing the potential tree planting locations, which will take place during the first two weeks of July.

I thank you for your assistance with this matter. Should you require any additional information regarding the tree planting program, please contact my office.

Respectfully,

MICHAEL F. GLAVIN
Executive Director
