NEW CONTRACTS (left side of Form):

Complete this section ONLY if this Contract is brand new. (Complete the CONTRACT AMENDMENT section for any material changes to an existing or an expired Contract, and for exercising options to renew or annual contracts under a multi-year procurement or grant program.)

PROCUREMENT OR EXCEPTION TYPE: Check the appropriate type of procurement or exception for this Contract. Only one option can be selected. See State Finance Law and General Requirements, Acquisition Policy and Fixed Assets, the Commodities and Services Policy and the Procurement Information Center (Department Contract Guidance) for details.

Statewide Contract (OSD or an OSD-designated Department). Check this option for a Statewide Contract under OSD, or by an OSD-designated Department.

Collective Purchase approved by OSD. Check this option for Contracts approved by OSD for collective purchases through federal, state, local government or other entities.

Department Contract Procurement. Check this option for a Department procurement including state grants and federal sub-grants under 815 CMR 2.00 and State Grants and Federal Subgrants Policy, Departmental Master Agreements (MA). If multi-Department user Contract, identify multi-Department use is allowable in Brief Description.

Emergency Contract. Check this option when the Department has determined that an unforeseen crisis or incident has arisen which requires or mandates immediate purchases to avoid substantial harm to the functioning of government or the provision of necessary or mandated services or whenever the health, welfare or safety of clients or other persons or serious damage to property is threatened.

Contract Employee. Check this option when the Department requires the performance of an Individual Contractor, and when the planned Contract performance with an Individual has been classified using the Employment Status Form (prior to the Contractor's selection) as work of a Contract Employee and not that

of an Independent Contractor.

Legislative/Legal or Other. Check this option when legislation, an existing legal obligation, prohibition or other circumstance exempts or prohibits a Contract from being competitively procured, or identify any other procurement exception not already listed. Legislative "earmarks" exempt the Contract solely from procurement requirements, and all other Contract and state finance laws and policies apply. Supporting documentation must be attached to explain and justify the exemption.

CONTRACT AMENDMENT (Right Side of Form)

Complete this section for any Contract being renewed, amended or to continue a lapsed Contract. All Contracts with available options to renew must be amended referencing the original procurement and Contract doc ids, since all continuing contracts must be maintained in the same Contract file (even if the underlying appropriation changes each fiscal year.) "See Amendments, Suspensions, and Termination Policy.)

Enter Current Contract End Date: Enter the termination date of the Current Contract being amended, even if this date has already passed. (Note: Current Start Date is not requested since this date does not change and is already recorded in MMARS.)

AMENDMENT TYPE: Identify the type of Amendment being done. Documentation supporting the updates to performance and budget must be attached. **Amendment to Scope or Budget.** Check this option when renewing a Contract or executing any Amendment ("material change" in Contract terms) even if the Contract has lapsed. The parties may negotiate a change in any element of Contract performance or cost identified in the RFR or the Contractor's response which results in lower costs, or a more cost-effective or better value performance than was presented in the original selected response, provided the negotiation results in a better value within the scope of the RFR than what was proposed by the Contractor in the original selected response. Any "material" change in the Contract terms must be memorialized in a formal Amendment even if a corresponding MMARS transaction is not needed to support the change. Additional negotiated terms will take precedence over the relevant terms in the RFR and the Contractor's Response only if made using the process outlined in 801 CMR 21.07, incorporated herein, provided that any amended RFR or Response terms result in best value, lower costs, or a more cost effective Contract.

Interim Contracts. Check this option for an Interim Contract to prevent a lapse of Contract performance whenever an existing Contract is being re-procured but the new procurement has not been completed, to bridge the gap during implementation between an expiring and a new procurement, or to contract with an interim Contractor when a current Contractor is unable to complete full performance under a Contract.

Contract Employee. Check this option when the Department requires a renewal or other amendment to the performance of a Contract Employee.

Legislative/Legal or Other. Check this option when legislation, an existing legal obligation, prohibition or other circumstance exempts or prohibits a Contract from being competitively procured, or identify any other procurement exception not already listed. Legislative "earmarks" exempt the Contract solely from procurement requirements, and all other Contract and state finance laws and policies apply. Attach supporting documentation to explain and justify the exemption and whether Contractor selection has been publicly posted.

COMMONWEALTH TERMS AND CONDITIONS

Identify which Commonwealth Terms and Conditions the Contractor has executed and is incorporated by reference into this Contract. This Form is signed only once and recorded on the Vendor Customer File (VCUST). See Vendor File and W-9s Policy.

COMPENSATION

Identify if the Contract is a Rate Contract (with no stated Maximum Obligation) or a Maximum Obligation Contract (with a stated Maximum Obligation) and identify the Maximum Obligation. If the Contract is being amended, enter the new Maximum Obligation based upon the increase or decreasing Amendment. The Total Maximum Obligation must reflect the total funding for the dates of service under the contract, including the Amendment amount if the Contract is being amended. The Maximum Obligation must match the MMARS encumbrance. Funding and allotments must be verified as available and encumbered prior to incurring obligations. If a Contract includes both a Maximum Obligation component and Rate Contract component, check off both, specific Maximum Obligation amounts or amended amounts and Attachments must clearly outline the Contract breakdown to match the encumbrance.

PAYMENTS AND PROMPT PAY DISCOUNTS

Payments are processed within a 45 day payment cycle through EFT in accordance with the Commonwealth Bill Paying Policy for investment and cash flow purposes. Departments may NOT negotiate accelerated payments and Payees are NOT entitled to accelerated payments UNLESS a prompt payment discount (PPD) is provided to support the Commonwealth's loss of investment earnings for this earlier payment, or unless a payments is legally mandated to be made in less than 45 days (e.g., construction contracts, Ready Payments under G.L.c. 29, s. 23A). See Prompt Pay Discounts Policy. PPD are identified as a percentage discount which will be automatically deducted when an accelerated payment is made. Reduced contracts rates may not be negotiated to replace a PPD. If PPD fields are left blank please identify that the Contractor agrees to the standard 45 day cycle; a statutory/legal exemption such as Ready Payments (G.L.c. 29, s. 23A); or only an initial accelerated payment for reimbursements or start up costs for a grant, with subsequent payments scheduled to support standard EFT 45 day payment cycle. Financial hardship is not a sufficient justification to accelerate cash flow for all payments under a Contract. Initial grant or contract payments may be accelerated for the first invoice or initial grant installment, but subsequent periodic installments or invoice payments should be scheduled to support the Payee cash flow needs and the standard 45 day EFT payment cycle in accordance with the Bill Paying Policy. Any accelerated payment that does not provide for a PPD must have a legal justification in Contract file for audit purposes explaining why accelerated payments were allowable without a PPD.

BRIEF DESCRIPTION OF CONTRACT PERFORMANCE

Enter a brief description of the Contract performance, project name and/or other identifying information for the Contract to specifically identify the Contract performance, match the Contract with attachments, determine the appropriate expenditure code (as listed in the Expenditure Classification Handbook) or to identify or clarify important information related to the Contract such as the Fiscal Year(s) of performance (ex. "FY2012" or "FY2012-14"). Identify settlements or other exceptions and attach more detailed justification and supporting documents. Enter "Multi-Department Use" if other Departments can access procurement. For Amendments, identify the purpose and what items are being amended. Merely stating "see attached" or referencing attachments without a narrative description of performance is insufficient.

COMMONWEALTH OF MASSACHUSETTS ~ STANDARD CONTRACT FORM

ANTICIPATED START DATE

The Department and Contractor must certify WHEN obligations under this Contract/Amendment may be incurred. Option 1 is the default option when performance may begin as of the Effective Date (latest signature date and any required approvals). If the parties want a new Contract or renewal to begin as of the upcoming fiscal year then list the fiscal year(s) (ex. "FY2012" or "FY2012-14") in the Brief Description section. Performance starts and encumbrances reflect the default Effective Date (if no FY is listed) or the later FY start date (if a FY is listed). Use Option 2 only when the Contract will be signed well in advance of the start date and identify a specific future start date. Do not use Option 2 for a fiscal year start unless it is certain that the Contract will be signed prior to fiscal year. Option 3 is used in lieu of the Settlement and Release Form when the Contract/Amendment is signed late, and obligations have already been incurred by the Contractor prior to the Effective Date for which the Department has either requested, accepted or deemed legally eligible for reimbursement, and the Contract includes supporting documents justifying the performance or proof of eligibility, and approximate costs. Any obligations incurred outside the scope of the Effective Date under any Option listed, even if the incorrect Option is selected, shall be automatically deemed a settlement included under the terms of the Contract and upon payment to the Contractor will release the Commonwealth from further obligations for the identified performance. All settlement payments require justification and must be under same encumbrance and object codes as the Contract payments. Performance dates are subject to G.L. c.4, §9.

CONTRACT END DATE

The Department must enter the date that Contract performance will terminate. If the Contract is being amended and the Contract End Date is not changing, this date must be re-entered again here. A Contract must be signed for at least the initial duration but not longer than the period of procurement listed in the RFR, or other solicitation document (if applicable). No new performance is allowable beyond the end date without an amendment, but the Department may allow a Contractor to complete minimal close out performance obligations if substantial performance has been made prior to the termination date of the Contract and prior to the end of the fiscal year in which payments are appropriated, provided that any close out performance is subject to appropriation and funding limits under state finance law, and CTR may adjust encumbrances and payments in the state accounting system to enable final close out payments. Performance dates are subject to G.L. c.4, §9.

Authorizing Signature for Contractor/Date: The Authorized Contractor Signatory must (in their own handwriting and in ink) sign AND enter the date the Contract is signed. Department Name /Title: Enter the Authorized Signatory's name and title legibly.

CONTRACTOR CERTIFICATIONS AND LEGAL REFERENCES

Notwithstanding verbal or other representations by the parties, the "Effective Date" of this Contract or Amendment shall be the latest date that this Contract or Amendment has been executed by an authorized signatory of the Contractor, the Department, or a later Contract or Amendment Start Date specified, subject to any required approvals. The Contractor makes all certifications required under this Contract under the pains and penalties of perjury, and agrees to provide any required documentation upon request to support compliance, and agrees that all terms governing performance of this Contract and doing business in Massachusetts are attached or incorporated by reference herein:

Commonwealth and Contractor Ownership Rights. The Contractor certifies and agrees that the Commonwealth is entitled to ownership and possession of all "deliverables" purchased or developed with Contract funds. A Department may not relinquish Commonwealth rights to deliverables nor may Contractors sell products developed with Commonwealth resources without just compensation. The Contract should detail all Commonwealth deliverables and ownership rights and any Contractor proprietary rights.

Qualifications. The Contractor certifies it is qualified and shall at all times remain qualified to perform this Contract; that performance shall be timely and meet or exceed industry standards for the performance required, including obtaining requisite licenses, registrations, permits, resources for performance, and sufficient professional, liability; and other appropriate insurance to cover the performance. If the Contractor is a business, the Contractor certifies that it is listed under the Secretary of State's website as licensed to do business in Massachusetts, as required by law.

Business Ethics and Fraud, Waste and Abuse Prevention. The Contractor certifies that performance under this Contract, in addition to meeting the terms of the Contract, will be made using ethical business standards and good stewardship of taxpayer and other public funding and resources to prevent fraud, waste and abuse.

Collusion. The Contractor certifies that this Contract has been offered in good faith and without collusion, fraud or unfair trade practices with any other person, that any actions to avoid or frustrate fair and open competition are prohibited by law, and shall be grounds for rejection or disqualification of a Response or termination of this Contract.

Public Records and Access The Contractor shall provide full access to records related to performance and compliance to the Department and officials listed under Executive Order 195 and G.L. c. 11, s.12 seven (7) years beginning on the first day after the final payment under this Contract or such longer period necessary for the resolution of any litigation, claim, negotiation, audit or other inquiry involving this

Contract. Access to view Contractor records related to any breach or allegation of fraud, waste and/or abuse may not be denied and Contractor can not claim confidentiality or trade secret protections solely for viewing but not retaining documents. Routine Contract performance compliance reports or documents related to any alleged breach or allegation of non-compliance, fraud, waste, abuse or collusion may be provided electronically and shall be provided at Contractor's own expense. Reasonable costs for copies of non-routine Contract related records shall not exceed the rates for public records under 950 C.M.R. 32.00.

Debarment. The Contractor certifies that neither it nor any of its subcontractors are currently debarred or suspended by the federal or state government under any law or regulation including, Executive Order 147; G.L. c. 29, s. 29F; G.L. c.30, § 39R; G.L. c.149, § 27C; G.L. c.149, § 44C; G.L. c.149, § 148B and G.L. c. 152, s. 25C.

Applicable Laws. The Contractor shall comply with all applicable state laws and regulations including but not limited to the applicable Massachusetts General Laws; the Official Code of Massachusetts Regulations; Code of Massachusetts Regulations (unofficial); 801 CMR 21.00 (Procurement of Commodity and Service Procurements, Including Human and Social Services); 815 CMR 2.00 (Grants and Subsidies); 808 CMR 1.00 (Compliance, Reporting and Auditing for Human And Social Services); AICPA Standards; confidentiality of Department records under G.L. c. 66A; and the Massachusetts Constitution Article XVIII if applicable.

Invoices. The Contractor must submit invoices in accordance with the terms of the Contract and the Commonwealth Bill Paying Policy. Contractors must be able to reconcile and properly attribute concurrent payments from multiple Departments. Final invoices in any fiscal year must be submitted no later than August 15th for performance made and received (goods delivered, services completed) prior to June 30th, in order to make payment for that performance prior to the close of the fiscal year to prevent reversion of appropriated funds. Failure to submit timely invoices by August 15th or other date listed in the Contract shall authorize the Department to issue an estimated payment based upon the Department's determination of performance delivered and accepted. The Contractor's acceptance of this estimated payment releases the Commonwealth from further claims for these invoices. If budgetary funds revert due to the Contractor's failure to submit timely final invoices, or for disputing an estimated payment, the Department may deduct a penalty up to 10% from any final payment in the next fiscal year for failure to submit timely invoices.

Payments Subject To Appropriation. Pursuant to G.L. c. 29 § 26, § 27 and § 29, Departments are required to expend funds only for the purposes set forth by the Legislature and within the funding limits established through appropriation, allotment and subsidiary, including mandated allotment reductions triggered by G.L. c. 29, § 9C. A Department cannot authorize or accept performance in excess of an existing appropriation and allotment, or sufficient non-appropriated available funds. Any oral or written representations, commitments, or assurances made by the Department or any other Commonwealth representative are not binding. The Commonwealth has no legal obligation to compensate a Contractor for performance that is not requested and is intentionally delivered by a Contractor outside the scope of a Contract. Contractors should verify funding prior to beginning performance.

Intercept. Contractors may be registered as Customers in the Vendor file if the Contractor owes a Commonwealth debt. "Other damages" shall not include damages to the Commonwealth as a result of third party claims, provided, however, that the foregoing in no way limits the Commonwealth's right of recovery for personal injury or property damages or patent and copyright infringement under Section 11 nor the Commonwealth's ability to join the contractor as a third party defendant. Further, the term "other damages" shall not include, and in no event shall the contractor be liable for, damages for the Commonwealth's use of contractor provided products or services, loss of Commonwealth records, or data (or other intangible property), loss of use of equipment, lost revenue, lost savings or lost profits of the Commonwealth. Nothing in this section shall limit the Commonwealth's ability to negotiate higher limitations of liability in a particular Contract, provided that any such limitation must specifically reference Section 11 of the Commonwealth Terms and Conditions. In the event the limitation of liability conflicts with accounting standards which mandate that there can be no cap of damages, the limitation shall be considered waived for that audit engagement. The terms in this Clarification may not be modified.

ATTACHMENT A
FY 2019 Housing Choice Initiative Program Contract

**SCOPE OF SERVICES AND
ADDITIONAL TERMS & CONDITIONS**

HOUSING CHOICE AWARD PROGRAM NAME:

Housing Choice Community (HCC) Capital Grant

I. CONTRACT

The Contractor is responsible for accessing and reviewing the contents of the documents referenced below, as compliance with each is a binding component of this Contract:

- A. This Attachment A is attached to and made a part of the COMMONWEALTH OF MASSACHUSETTS STANDARD CONTRACT FORM. THE COMMONWEALTH TERMS AND CONDITIONS and the Contractor's Workplan and Budget, as approved by the Department, are attached hereto as Exhibits.
- B. This Attachment A incorporates by reference the Housing Choice Capital Grant Program Application and the Small Town Capital Grant Program Application, as applicable.
- C. This Attachment A, all attached Exhibits and other Attachments, and all documents incorporated by reference herein, are referred to, collectively, as the Contract.
- D. This Contract represents the entire agreement between the Contractor and the Department, and any prior or contemporaneous representations, promises, or statements by the parties, that are not incorporated herein, shall not serve to vary or contradict the terms set forth in this Contract.
- E. If any term or condition of this Contract is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and conditions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if this Contract did not contain the particular provision held to be invalid.

II. SCOPE OF SERVICES AND COMPLIANCE WITH LAWS

The Housing Choice Initiative encourages local governments to expand housing production by providing new grants, coordinating technical assistance across various housing agencies, and promoting regulatory innovation. The Housing Choice Initiative rewards municipalities that are producing new housing and have adopted best practices to promote sustainable housing development.

A crucial part of the Housing Choice Initiative is the Housing Choice designation and grant program. Communities that achieve the Housing Choice designation have exclusive access to apply for the new Housing Choice Grant Program, and receive bonus points or other considerations for certain state grant programs.

In recognition of the fact that many small towns face different challenges, the Housing Choice Initiative also includes separate funding for the Small Town Housing Choice competitive capital grant program, available exclusively for towns with populations under 7,000 (per 2016 US Census population estimates). Small Towns can also apply for the Housing Choice designation.

The Contractor shall use the FY 2019 contract funding to provide services in accordance with the terms of the attached Workplan and Budget, the terms of this Contract, and any subsequent Contract amendments.

The Contractor shall carry out these activities in conformance with all applicable federal and state laws and requirements, including without limitation, statutes, rules, regulations, administrative and executive orders, ordinances, and codes, as they may be issued and amended.

The Department reserves the right to issue future administrative guidance. The Contractor shall comply with all applicable guidelines, information memoranda, list serves, or other guidance the Department may issue, amend, or supplement from time to time.

III. ADDITIONAL TERMS AND CONDITIONS

A. Reporting Responsibilities of the Contractor

1. The Contractor, and any agency under subcontract, having costs chargeable to Contract funds shall maintain Contract records in accordance with Section 7 of the Commonwealth Terms and Conditions including without limitation, a record of planned activities, a record of activities carried out, and an explanation of any changes in program activities.
2. The Contractor shall comply with all records and reporting requirements set forth in this Contract.
3. The Contractor must submit requests for time extensions for the submission of any reports or data in writing to the Department for approval or disapproval prior to the passing of the deadline. Such requests should explain the reason for the delay and specify the new deadline for the submission of the report or data. The Department may grant such requests in writing.
4. The Contractor shall submit written progress reports to the Department in compliance with the following deadlines and requirements using the attached Housing Choice Capital Grant Progress Report form:

- First progress report, covering the period from the effective date of the Contract, through December 31, 2018, due January 15, 2019.

 - Final progress report, covering the period from April 1, 2019, through June 30, 2019, due July 15, 2019.
5. The Contractor shall continually assess its performance of the Contract-supported activities to ensure that the performance objectives outlined in the Contract are achieved. This includes, but is not limited to, the Contractor's monitoring that applicable schedules are met and performance objectives are achieved in accordance with the activities delineated in the Contract. The Contractor shall inform the Department in writing, which may be done electronically, of the following conditions which may affect its deliverable objectives and performance as soon as they become known:
- a. Problems, delays, or adverse conditions which will materially affect the Contractor's ability to attain deliverable objectives. This disclosure shall be accompanied by a statement of any actions taken or contemplated by the Contractor, and any assistance needed from the Department to resolve the situation.
 - b. Favorable developments or events which will enable the Contractor to meet the deliverable Contract objectives sooner than anticipated or at less cost than originally projected.
6. The Contractor shall submit all progress reports to the Department's assigned program representative at the following address:
- Chris Kluchman, FAICP
Housing Choice Program Director
Division of Community Services
Department of Housing and Community Development
100 Cambridge Street, Suite 300
Boston, MA 02114
617-573-1167
Chris.kluchman@mass.gov
7. The Department shall advise the Contractor within thirty (30) days of receiving any report if it is not acceptable to the Department. The Contractor shall submit an acceptable report upon receipt of such advice from the Department.
8. The Contractor, and any agency under subcontract having costs chargeable to Contract funds, shall maintain Contract records in accordance with Section 7 of the Commonwealth Terms and Conditions, including, without limitation, a record

of planned activities, a record of activities carried out, and an explanation of any changes in program activities.

9. Within five business days of receipt, the Contractor shall provide the Department with copies of any and all exception reports and written communications of an audit or review of the Contractor and any written final reports of such audits or reviews that the Contractor receives during the Contract term from the state Office of the Inspector General (OIG) and/or the Office of the State Auditor. Such reports or communications may be provided electronically.
10. Within five business days of being served with any pleading in a legal action filed with a court or administrative agency related to this Contract or which may affect the Contractor's ability to perform its obligations hereunder, the Contractor shall notify the Department of such action and deliver copies of such pleadings to the Department. Such reports or communications may be provided electronically.
11. The Contractor will submit any other reports or information requested by the Department by the due date specified in the Department's request. The Contractor shall promptly make available to the Department or to an auditor or contractor approved by the Department such material information regarding the Contractor's activities as may be requested by the Department.

B. Payment Mechanism and Fiscal Obligations

The Department agrees to provide payment for the services described under this Contract, pursuant to the following payment mechanism:

- a. The Department, upon written request by the Contractor on the standard Commonwealth Payment Request Form (PRC), shall advance to the Contractor the amount of 25% of the total funds covered by the Contractor's initial Contract with the Department in this State Fiscal Year, by category, to be used as working capital for the performance of the Contractor's obligations under this Contract. For the remainder of the total funds covered by the Contractor's initial Contract with the Department in this State Fiscal Year, the Contractor shall submit to the Department invoices for cost reimbursement in the manner described herein. Only requests for cost reimbursement for authorized capital expenses, pursuant to the capital funds from the state's capital budget, are authorized for reimbursement.
- b. All payments are contingent upon receipt of the availability of funds, authorization by the Executive Office of Administration and Finance and the Massachusetts Comptroller, and the provisions of the Commonwealth Terms and Conditions. In accordance with 815 CMR 2.00 and state finance law, the Department is under no legal obligation to compensate the Contractor, or to obtain additional funding, for any costs or other commitments which are outside the scope of the executed Contract and which have not been approved by the Department.

- c. In no event shall the sum of any and all payment by reimbursement exceed the maximum amount payable to the Contractor hereunder. Requests for payment by cost reimbursement will be honored and funds will be released based on submission by the Contractor, with review and acceptance by the Department, of required data and reports as detailed in this Contract, the availability of funds, and the Contractor's satisfactory compliance with the terms of this Contract.
- d. The Contractor shall initiate any requests for payment by cost reimbursement by submitting a written request on at least a monthly basis. If the Contractor requested and received an advance of 25% of the total funds covered by the Contractor's initial Contract with the Department in this State Fiscal Year, pursuant to Section III.B.a, the Contractor shall submit with the first request for payment by cost reimbursement receipts or other supporting documentation accounting for the use of the advanced funds.

Each request for payment by cost reimbursement must be made on the PRC. By submitting the PRC, the Contractor represents that in accordance with the Contract, including the Contractor's Workplan and Budget as approved by the Department, articles have been furnished, services have been rendered, or obligations have been incurred by a person authorized to incur such obligations.

In addition to the PRC, requests for payment by cost reimbursement shall also contain sufficient detail, supporting records, and documentation to support payment. Records to substantiate the Contractor's claims hereunder may include, without limitation, payroll records, accounting records, and purchase orders that are sufficient to document the Contractor's program and financial activities under this Contract.

The request for cost reimbursement shall be submitted either electronically or in hard copy to the attention of:

Bryan Adams
Budget Director
Division of Community Services
Department of Housing and Community Development
100 Cambridge Street, Suite 300
Boston, MA 02114

- e. The Contractor shall submit the final PRC on or before July 31, 2019. With the submission of the final PRC, the Contractor shall return to the Department any unexpended funds that are reflected in the final reconciliation.

C. Audit or Financial Review

The Department reserves the right under this Contract to secure its own independent audit or financial review of the Contractor's (or Subcontractor, if applicable) records if, in its sole discretion, the Department determines that it is necessary for any reason.

D. Monitoring

The Department may monitor the Contractor's (or Subcontractor, if applicable) compliance with the Contract. The Contractor shall allow the Department and its representatives access to all of its books and records pertaining to this Contract.

E. Conflict of Interest, Licensure, and Debarment

1. The Contractor shall not engage in any business or personal activities or practices or maintain any relationships which conflict in any way with the full performance of the Contractor's obligations hereunder.
2. The Contractor shall not knowingly employ or compensate any employee of the Commonwealth during the term of this Contract, unless such arrangement is permitted under the provisions of M.G.L. c. 268A. Employment of former Commonwealth employees shall also be in compliance with the provisions of M.G.L. c. 268A.
3. The Contractor represents and warrants that as of the effective date, it has, and that at all times during the term hereof it shall have, at its sole expense, all licenses, certifications, approvals, insurance, permits, and other authorizations required by law to perform its obligations hereunder. The Contractor shall maintain all necessary licenses, certifications, approvals, insurance, permits, and other authorizations required to properly perform activities under this Contract, without reimbursement by the Commonwealth or other adjustment in Contract funds. Further, the Contractor warrants that all employees, agents, and subcontractors performing services under this Contract shall hold all required licenses or certifications, if any, to perform their responsibilities.
4. The Contractor certifies that the Contractor and its principals are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal or state department or agency. The Contractor agrees to immediately notify the Department if the Contractor becomes suspended or debarred, or if any licenses, certifications, approvals, insurance, permits, or any such similar requirement necessary for the Contractor to properly perform become revoked, withdrawn, or non-renewed during the Contract period.

F. Enforcement, Suspension, and Termination

1. Enforcement of this Contract and all rights and obligations hereunder are reserved solely to the Contractor and the Department, and not to any third party.

2. The Department may use increased or additional monitoring and reporting as part of its enforcement actions.
3. This Contract may be terminated pursuant to Sections 4 and 5 of the Commonwealth Terms and Conditions.
4. The Department may provide the Contractor with written notice to decrease or cease Contract activity. Effective upon receipt of notice from the Department, or a later date specified therein, the Contractor agrees to decrease, suspend, and/or terminate Contract activity in conformance with the terms of such notice.
5. Upon the termination or expiration of this Contract, the Contractor shall continue to cooperate with all audit, records, and monitoring requirements.
6. Within a maximum of 90 days following the date of expiration or termination of this Contract, the Contractor shall submit all reports and data required by this Contract.

G. Non-Discrimination In The Provision of Services

The Contractor shall not deny services or otherwise discriminate in the delivery of services because of race, color, religion, disability, sex, sexual orientation, gender identity, familial status or children, marital status, age, national origin, ancestry, genetic information, receipt of federal, state, or local public assistance or housing subsidies, veteran/military status, or because of any other basis prohibited by law. The Contractor agrees to comply with all applicable federal and state statutes, rules and regulations and administrative and Executive Orders prohibiting discrimination, including without limitation, the Americans with Disabilities Act, as amended (42 U.S.C. §§ 12101 et seq.), Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794), Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. §§ 2000d et seq.), the Age Discrimination Act of 1975, as amended (42 U.S.C. §§ 6101 et seq.), M.G.L. c. 151B, M.G.L. c. 272 §§ 92A, 98, and 98A, M.G.L. c. 111 § 199A, 42 U.S.C. 9918 (c) and 45 C.F.R. 80.

H. Confidentiality

1. The Contractor certifies that it has established sufficient internal policies to carry out its obligations hereunder.
2. The Contractor shall keep all state records and information, wherever obtained, confidential at all times and comply with all state and federal laws concerning the confidentiality of information. The Contractor shall hold all personal data relating to Contract supported personnel and applicants or recipients of Contract supported programs and activities in accordance with M.G.L. c. 66A, "Massachusetts Fair Information Practices Act;" M.G.L. c. 93H, Security Breaches; Executive Order No. 504, Regarding the Security and Confidentiality of Personal Information and any applicable regulations, including without limitation, 801 CMR 3.00: Privacy

3. Pursuant to Executive Order No. 504, the Contractor certifies that the Contractor has reviewed and shall comply with all information security programs, plans, guidelines, standards and policies that apply to the work to be performed under this Contract, that the Contractor shall communicate these provisions to and enforce them against its subcontractors, and that the Contractor shall implement and maintain any other reasonable and appropriate security procedures and practices necessary to protect personal information to which the Contractor is given access as part of this Contract, from unauthorized access, destruction, use, modification, disclosure, or loss.
4. The Contractor shall notify its agents, employees, subgrantees, and assignees who may come into contact with state records and confidential information that each is subject to the confidentiality requirements set forth herein.
5. The Contractor shall deliver to the Department, within 14 days of a written request by the Department following termination of this Contract, such personal data relating to this Contract as the Department may request; provided, that the Contractor may keep copies of any personal data delivered to the Department; and provided further, that for the purposes of this sentence, the term, "personal data", shall not include the Contractor's personnel records.
