

Jurett Mooltrey-Weathers' Letter Of Interest:

Somerville Affordable Housing Trust City Resident Representative Position

Hello SAHT Applicant Reviewer and Possible Candidate Interview.

In my "Objective statement, I state that my objective is to "Contribute to Somerville Affordable Housing Trust by using knowledge that I have acquired over my many years as a Person committed to advocating for [Truly] affordable housing for the vulnerable population". This is not just a statement but is something that I care deeply about.

I have participated in many advocacy groups, events, campaigns. I Truly Believe that WE Can BE an Inclusive Place For ALL, BUT WE MUST Take an HONEST Look At What Is Working, AND For [Who] is it "Working" for; and, we NEED to look at is it hurting others in Anyway, And if so than Who is it hurting. What options are there that do NOT leaving it where the People With The least options and opportunities carrying the bulk of the burden? Neither am I saying that if a Person is in a higher income bracket they should be excluded from living here or having a business here. This is NOT and Should NOT Be Just A "Either This Group Of People Or That Group" But TRULY INCLUSIVE.
