New Meter Technology

- Meets all State Division of Standards Specifications
- Follows all rules of Handbook 44
- Will allow our regulated industry to compete with unregulated TNC's
- Will allow us to enhance our current system
 - -call out feature on arrival
 - -special app promo codes like TNC's
 - -card on file for ease of payment like TNC's

Will allow us to enter our fleet into taxi fleets with National App "ARRO" being beta tested in Boston.
