## **Final Notice Of Disconnection** **Please Note Important Dates Below**

Dear City Of Somerville,

Thank you for choosing Comcast as your communication service provider. We are concerned because we have not received last month's payment.

In order to avoid interruption of your service, \$27.90 must be paid by JULY 16, 2010.

**After this date, the full balance due will be required for reconnection of your service.** The following office reactivation fees apply: Video - \$4.00, High Speed Internet - \$4.00 and Digital Voice - \$4.00. A fee of \$31.95 will be charged if reconnection requires a technician visit.

### **Important Information for our Comcast Digital Voice Customers**

If your Comcast Digital Voice service is suspended, you will be able to place calls to 911 from your home until July 26, 2010. After this date you will no longer be able to place any calls, including 911. Should you wish to resume service, you will be required to pay the full amount due on your account, including any late charges and any reinstallation charges discussed above. In addition, you may be assigned a new Digital Voice phone number.
