Dear City Clerk,

Please confirm this business is not able to apply for resident parking permits. Our neighborhood and streets are already crowded and have very limited parking spaces.

Also the business card has the name of "Ravelo's Auto Sales & Repair" on it, will this licence allow the business to "Sell" used cars in this location or is it just an "auto repair shop". We have concerns about too much additional traffic if this is a used car dealer.

Sincerely,
Po Chan
