Re: **Request to Withdraw Zoning Map Amendment Application
File No. 26-0257 Zoning Map Amendment
2 and 9 Union Square, 286, 290 and 298 Somerville Avenue**

Dear Honorable President Davis, Chair Ewen-Campen, and Members of the City Council:

Please recall we represent Union 2 Associates, LLC (Applicant) regarding the captioned matter (Zoning Map Amendment).

We appreciated the opportunity to appear before the Land Use Committee and the Planning Board regarding the Zoning Map Amendment.

To fully evaluate the important feedback received during that process, the Applicant submits this letter as a formal request to withdraw the petition for the Zoning Map Amendment, designated as File No. 26-0257.

The Applicant respectfully requests the City Council grant this withdrawal without prejudice.

Thank you for your time, guidance, and consideration of this matter.

Very truly yours,

William J. Proia
