**IMPORTANT NOTICE – WATER SERVICE INTERRUPTION**

Location: \_\_\_\_\_

Date of Interruption: \_\_\_\_\_

Approximate Time: \_\_\_\_\_ Duration of Interruption: \_\_\_\_\_

This is a notice to inform you the water **may be temporarily** interrupted to facilitate repairs to our water system. The city of Somerville Water Department will be operating valves to turn water off and on during this repair. Since it is not possible to determine the exact amount of time the water will be turned off for this work you are advised to draw enough water to last a few hours. If you leave your home during the time the water is off, please make sure to turn all faucets off prior to leaving to avoid any flooding issues when the water is turned back on.

When the water service is restored you **may or may not** experience discolored or cloudy water as a result of this activity. Should you experience discolored or cloudy water please run the cold water until it clears. As a precaution to protect laundry customers are urged to make sure water is clear before washing laundry.

This notice is given as a courtesy to notify customers of unexpected or planned interruption of the water service. The Director of Water & Sewer reserves the right to shut off water service without notice in the event of water system break. No person is entitled to receive any abatement, compensation, or damage on account of the shutting down of the water system for any cause.

We apologize for any inconveniences this water service interruption may have caused. The City of Somerville Water Department strives to provide reliable water services with minimal interruption. For more information or concerns, please visit our website: [somerillema.gov/w&s](http://somerillema.gov/w&s) or contact the Water Department at 617-625-6600, Ext 5850

Sincerely,  
 Demetrios G. Vidalis, PE, SHEP  
 Director of Water and Sewer
