RE: Item 26-0270 – Requesting approval to appropriate \$56,339.46 from the Bike Share Stabilization Fund for installation and startup costs of a Blue Bike station at the Boynton Union Connect Transportation Management Association development site.

Dear Members of the Finance Committee,

The following information from the Office of Strategic Planning and Community Development (OSPCD) is being provided to the members of the Finance Committee in response to the above referenced item.

The following is a breakdown of how the pricing was determined for the donation of a new Bluebikes bike share station by the Boynton Union Connect TMA. The equipment and installation prices are based on the City’s existing bike share operation contract.

Boynton Union Connect TMA - New Station Donation – 18 dock angled station

Item	Cost
18-dock station	\$28,744.26
45-degree angle slab	\$918.00
Solar-powered kiosk	\$10,038.00
10 Bicycles	\$12,139.20
Station installation	\$2,500.00
Grand Total	\$54,339.46

Additionally, the city is requesting \$2,000.00 to be appropriated from the Bike Share Stabilization fund for maintenance and parts not covered under the regional bike share contract. Please let the IGA team know if there are any further questions on any of the above information.

Thank you,

Alan Inacio
 Director of Finance and Community Development, OSPCD
